Reading the New Testament as Christian
Scripture (Reading Christian Scripture) Jul 01
2021 This survey textbook by two respected
New Testament scholars is designed to meet the
needs of contemporary evangelical
undergraduates. The book effectively covers the
New Testament books and major topics in the
New Testament, assuming no prior academic
study of the Bible. The authors pay attention to
how the New Testament documents fit together
as a canonical whole that supplements the Old
Testament to make up the Christian Scriptures.
They also show how the New Testament writings
provide basic material for Christian doctrine,
spirituality, and engagement with culture.

Chapters can be assigned in any order, making
this an ideal textbook for one-semester courses
at evangelical schools. This is the first volume in
a new series of survey textbooks that will cover
the Old and New Testaments. The book features
full-color illustrations that hold interest and aid
learning and offers a full array of pedagogical
aids: photographs, sidebars, maps, time lines,
charts, glossary, and discussion questions.
Additional resources for instructors and students
are available through Textbook eSources.

Christianity, a Way of Life and Belief Oct 16
2022

Surviving Religion 101 Mar 09 2022 “I can’t
imagine a college student—skeptic, doubter,
Christian, struggler—who wouldn’t benefit from
this book.” —Kevin DeYoung For many young
adults, the college years are an exciting period
of selfdiscovery full of new relationships, new
independence, and new experiences. Yet college
can also be a time of personal testing and
intense questioning— especially for Christian

students confronted with various challenges to Christianity and the Bible for the first time. Drawing on years of experience as a biblical scholar, Michael Kruger addresses common objections to the Christian faith—the exclusivity of Christianity, Christian intolerance, homosexuality, hell, the problem of evil, science, miracles, and the reliability of the Bible. If you're a student dealing with doubt or wrestling with objections to Christianity from fellow students and professors alike, this book will equip you to engage secular challenges with intellectual honesty, compassion, and confidence—and ultimately graduate college with your faith intact.

Walking in Truth Grade 6 Student Text Feb 25 2021

On the Freedom of a Christian Dec 26 2020 Perhaps the clearest and most influential statement of the principles driving the early Protestant reformers, Martin Luther's *On the Freedom of a Christian* (1520) challenged the

teachings and authority of the old Church while simultaneously laying out the blueprint for a new one.

The Story of Christianity Apr 10 2022 In *The Story of Christianity*, acclaimed theologian David Bentley Hart provides a sweeping and informative portrait of a faith that has shaped the western world and beyond for over 2,000 years. From the persecutions of the early church to the papal-imperial conflicts of the Middle Ages, from the religious wars of 16th- and 17th-century Europe to the challenges of science and secularism in the modern era, and from the ancient Christian communities of Africa and Asia to the 'house churches' of contemporary China, *The Story of Christianity* triumphantly captures the complexity and diversity of Christian history.

Holy Writings, Sacred Text Aug 14 2022 An internationally respected biblical scholar investigates the origins of the Christian canon. John Barton explores the reasons behind the development of the New Testament and pursues

the historical factors involved in combining these books with the Hebrew Scriptures.

Walking in Truth Grade 8 Student Text May 11 2022

Jesus Ideals of Living Mar 17 2020 Jesus' Ideals of Living: A Textbook in the Religion of Youth, Based on Jesus' Own Religion and His Discoveries of Truth is a religious textbook written by George Walter Fiske. Fiske held a PhD from Boston University and was a theology professor at the School of Theology at Oberlin College. Jesus' Ideals of Living is intended to be used by teachers instructing teenagers in a Christian education. "Is there anything real in religion?" Fiske rhetorically asks, "What difference does it really make if a person is a Christian?" The author attempts to lead students to the answers to these questions through a series of chapters detailing the teachings of Jesus. The book is divided into six parts, with topics such as "Jesus' Ideals of Living," "Jesus' Ideals of Personal Growth," "Ideals or Personal

Righteousness," "Ideals of Social Justice," "Ideals of Service and Sacrifice," and "Ideals of Friendship." Every part is composed of numerous short chapters, each of which contains a different teaching or lesson of Jesus. Chapters are concluded with a series of discussion questions to encourage further thinking. As a Christian textbook, Jesus' Ideals of Living is effective. The book is presented in a logical manner, and the teachings contained within are certainly relevant to the subject matter. The discussion questions are carefully designed, and require the student to not only reflect on the reading, but also to engage in a period of self-reflection. Jesus' Ideals of Living is a worthy textbook on Christianity and the teachings of Jesus. If you are in search of a textbook to teach young people and teenagers about Jesus' ideals Fiske's book is definitely worthy of your consideration. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at

www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Creating a Christian Lifestyle Jan 19 2023 Senior year is a pivotal moment in the life of teens, a time when young men and women are shaping their goals and hopes for the future and seeking spiritual guidance. Creating a Christian Lifestyle, a comprehensive one-semester course, addresses significant issues teens will face as they choose among the many life paths they may travel--single or married life, religious life, or ordained ministry. The text examines themes

common to all those paths: identity and autonomy, love, communication, sexuality, friendship, creativity and learning, work, money and possessions, and suffering and healing. Thought-provoking stories, poems, and personal examples lead students into discussion; engaging activities invite reflection, discussion, and journal writing. The full-color lively design and over 50 original artworks by students stimulate students' interest.

Science and Health With Key to the Scriptures
Apr 29 2021

Religion Matters Jul 21 2020 A religion is a system of stories, and there is no better way to engage with the world's religions than through the stories that animate their beliefs and practices. Through the exploration of these ancient stories and contemporary practices, Stephen Prothero, a New York Times bestselling author and gifted storyteller, helps students better grasp the role of religion in our fractured world and to develop greater

religious literacy. Videos and an award-winning adaptive learning tool, InQuizitive, further engage students and help them master core objectives and develop their own religious literacy.

Radical Aug 22 2020 New York Times bestseller
What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church

decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Christianity Sep 03 2021 David Chidester, one of the world's foremost scholars of religion, traces Christianity's growth and development from the time of Jesus to the dawn of the third millennium, revealing its rich diversity through the deeds and beliefs of heretics and saints, witches and healers, preachers and inquisitors. Chidester explores the emergence of the major streams of Christian thought and practice, distilling the cultural history of the Church and its impact on the world into this superbly readable book. Alongside this broad panorama is a richly human story that the author brilliantly encapsulates in incisive character sketches and historical vignettes. Christianity, in all its many facets, has been and continues to be one of the

most influential forces in history. Chidester shows that this religion, with its roots deep in the ancient world, has always been in a constant state of evolution, affecting and affected by the religions and societies around it. At times Christianity has coexisted peacefully with other forms of belief, exchanging ideas and practices with them. At other times profound, even violent, conflict has arisen. In this book David Chidester intelligently and objectively portrays Christians in different times and places, as a minority and as the majority group, a religion both absorbing and resisting the world around it. Christianity reveals the religion as it was and is lived in the life of everyday people rather than focusing on the dry dogmas and beliefs that fill most histories. Chidester's accomplishment is to capture the complexity and grand sweep of this story in one remarkable volume that is destined to take its place as a classic of religious history.

Christianity, Book-Burning and Censorship in Late Antiquity Dec 18 2022 It is estimated

that only a small fraction, less than 1 per cent, of ancient literature has survived to the present day. The role of Christian authorities in the active suppression and destruction of books in Late Antiquity has received surprisingly little sustained consideration by academics. In an approach that presents evidence for the role played by Christian institutions, writers and saints, this book analyses a broad range of literary and legal sources, some of which have hitherto been little studied. Paying special attention to the problem of which genres and book types were likely to be targeted, the author argues that in addition to heretical, magical, astrological and anti-Christian books, other less obviously subversive categories of literature were also vulnerable to destruction, censorship or suppression through prohibition of the copying of manuscripts. These include texts from materialistic philosophical traditions, texts which were to become the basis for modern philosophy and science. This book examines how

Christian authorities, theologians and ideologues suppressed ancient texts and associated ideas at a time of fundamental transformation in the late classical world.

Catholic Social Teaching Jul 13 2022

**Catholic Social Teaching: Christian Life in Society has been submitted to the Subcommittee on the Catechism, United States Conference of Catholic Bishops. Declarations of conformity with both the Catechism of the Catholic Church and Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age are pending. Catholic Social Teaching: Christian Life in Society This course will guide students in exploring and understanding the social teachings of the Church. It will address the major themes of Catholic social teaching and what they express about God's plan for all people and our obligations to care for one another, especially those most in need in society. The course will work to move students to a life of

service and work for the Kingdom of God. The Living in Christ Series * Makes the most of the wisdom and experience of Catholic high school teachers as they empower and guide students to participate in their own learning. * Engages students' intellect and responds to their natural desire to know God. * Encourages faith in action through carefully-crafted learning objectives, lessons, activities, active learning, and summative projects that address multiple learning styles. What you will find . . . * Each Living in Christ student book is developed in line with the U.S. Bishops' High School Curriculum Framework and provides key doctrine essential to the course in a clear and accessible way, making it relevant to the students and how they live their lives. * Each Living in Christ teacher guide carefully crafts the lessons, based on the key principles of Understanding by Design, to guide the students' understanding of key concepts. * Living in Christ offers an innovative, online learning environment featuring flexible

and customizable resources to enrich and empower the teacher to respond to the diverse learning needs of the students. * The Living in Christ series is available to you in traditional full-color text and in digital textbook format, offering you options to meet your preferences and needs.

[An Introduction to the Old Testament](#) Jan 07 2022 This comprehensive, introductory textbook is unique in exploring the emergence of the Hebrew Bible in the broader context of world history. It particularly focuses on the influence of pre-Roman empires, empowering students with a richer understanding of Old Testament historiography. Provides a historical context for students learning about the development and changing interpretations of biblical texts Examines how these early stories were variously shaped by interaction with the Mesopotamian and Egyptian, Assyrian, Babylonian, Persian, and Hellenistic empires Incorporates recent research on the formation of the Pentateuch Reveals how

key biblical texts came to be interpreted by Jewish, Christian, and Muslim faiths Includes numerous student-friendly features, such as study questions, review sections, bibliographies, timelines, and illustrations and photos

The Christianity Reader Jun 12 2022

Christianity is the world's most populous religion, with some two billion adherents. As a world religion, Christianity has flourished because it is capable of taking on new forms in new contexts. To understand both the religion's history and its present state, Mary Gerhart and Fabian Udoh gather original texts—from early Christian writings to contemporary documents on church-related issues—in The Christianity Reader. The most comprehensive anthology of Christian texts ever in English, this is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated, and translated primary texts, along with supplemental analytical essays, the volume allows Christianity, at long last, to speak

in its many voices. Focusing on Christianity as a religion, Gerhart and Udoh select texts that illuminate issues such as theology, mysticism, and ritual, while also articulating the stories of previously marginalized groups, as well as those in new and growing epicenters of the religion. With nearly three hundred selections, the texts encompass the entire history of Christian writings excluding the New Testament, from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta. Eight thematic sections cover biblical traditions and interpretations; early influences; nascent forms; patterns of worship; structures of community; philosophy, theology, and mysticism; twentieth-century issues and challenges; and the contemporary relationship between Christianity and other world religions. The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context. Providing a far richer selection than

ever before available in a single volume, The Christianity Reader will be welcomed as both a classroom resource and a work of reference for decades to come.

Walking in Truth Grade 6 Student

Workbook Dec 06 2021

Exploring the Religions of Our World Oct 12

2019 Expands students' understanding of their own religious history and practice by examining other religions of the world. Each religion is introduced with a brief history, and explored through each religion's scripture or major writings, beliefs and practices, and sacred spaces and times.

Understanding Catholic Christianity Feb 20

2023 "Understanding Catholic Christianity" offers a comprehensive overview of Catholicism for ninth graders, to serve as a foundation for other high school religion courses and faith formation experiences they will have. With pastoral sensitivity, the course's examples, stories, quotes and reflection activities bring to

life the basic of the Catholic faith for adolescent hearts and minds.

Restoring Authentic Christianity Jan 27 2021

Restoring authentic Christianity is a comprehensive easy to read one stop' book that covers the origin, growth, development of Christianity; its challenges and divisions with a view to giving the average Christian and also the student of theology enough historical as well as spiritual information about his or her faith. It also explores how we as Christians have strayed from the teachings of Jesus Christ even as we bow to cultural pressures and other threats. The book offers suggestions as to how to restore what Jesus left for us to do and also what the early Christians had so that we may accomplish what they did and so be effective witnesses as we prepare for Christ's return.

Christian Morality Nov 17 2022 **Christian Morality: Our Response to God's Love has been submitted to the Subcommittee on the Catechism, United States Conference of Catholic

Bishops. Declarations of conformity with both the Catechism of the Catholic Church and Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age are pending. Christian Morality: Our Response to God's Love Students face countless choices and challenges in their daily lives. This course addresses how a relationship with Christ and the Church can lead to choices that are in accord with God's plan. The students learn what it means to live as a disciple of Christ and how the Church strengthens this discipleship. The Living in Christ Series * Makes the most of the wisdom and experience of Catholic high school teachers as they empower and guide students to participate in their own learning. * Engages students' intellect and responds to their natural desire to know God. * Encourages faith in action through carefully-crafted learning objectives, lessons, activities, active learning, and summative projects that address multiple

learning styles. What you will find . . . * Each Living in Christ student book is developed in line with the U.S. Bishops' High School Curriculum Framework and provides key doctrine essential to the course in a clear and accessible way, making it relevant to the students and how they live their lives. * Each Living in Christ teacher guide carefully crafts the lessons, based on the key principles of Understanding by Design, to guide the students' understanding of key concepts. * Living in Christ offers an innovative, online learning environment featuring flexible and customizable resources to enrich and empower the teacher to respond to the diverse learning needs of the students. * The Living in Christ series is available to you in traditional full-color text and in digital textbook format, offering you options to meet your preferences and needs.

Our Catholic Faith Apr 17 2020 Our Catholic Faith: Living What We Believe offers a general overview of the Catholic faith as outlined by the

four pillars of the Catechism of the Catholic Church and is designed for use in an introductory Catholic high school theology course.

Studies on the Text of the New Testament and Early Christianity Nov 05 2021 A collection of essays in honour of Prof. Michael Holmes. The volume is arranged in two parts focusing on textual criticism and the Apostolic Fathers respectively.

Teaching Manual for Growing in Christian Morality Oct 24 2020 What does religion have to do with my life? How do I know right from wrong? The course Growing in Christian Morality offers a Christian vision for answering these questions. Decision-making, wise judgment, justice, wholeness, honesty, and respect are themes that this one-semester course makes real for tenth- and eleventh-grade students. The teaching manual supports the student text and includes numbered references to the Catechism of the Catholic Church,

prayers, prayer services, review questions and answers, student activities, discussion questions, role-play situations, suggestions for interviews and guest speakers, student handouts, and much more.

Reports of the Student Christian Movements Dec 14 2019

An Exploration of Christian Theology Mar 29 2021 This introduction to Christian theology explores the whole Christian tradition in a simple and straightforward way. Leading Wesleyan theologian Don Thorsen surveys the theological views represented within historic Christianity and discusses the variety of positions held without favoring one over another. The book includes helpful end-of-chapter questions for further reflection and discussion, a convenient glossary of theological terms, and sidebars. The second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized.

Jesus Ideals of Living May 19 2020 Jesus' Ideals of Living: A Textbook in the Religion of Youth, Based on Jesus' Own Religion and His Discoveries of Truth is a religious textbook written by George Walter Fiske. Fiske held a PhD from Boston University and was a theology professor at the School of Theology at Oberlin College. Jesus' Ideals of Living is intended to be used by teachers instructing teenagers in a Christian education. "Is there anything real in religion?" Fiske rhetorically asks, "What difference does it really make if a person is a Christian?" What is Christianity Aug 02 2021 Gail Ramshaw frames this new introduction to Christianity around the basic questions that students ask. Investigating Christianity as a lived experience, she opens each chapter with a voice from the field of religious studies and then presents answers to each chapter's question by surveying the history, doctrine, practices, and convictions of Christian churches. Written for undergraduates with little or no background in the breadth of Christianity, the text of the book reports on the diversity of Christian belief and practice, and is accompanied with student-friendly learning helps.

An Introduction to the New Testament and the Origins of Christianity Sep 22 2020 First published in 2002, this book offers an authoritative and accessible introduction to the New Testament and early Christian literature for all students of the Bible and the origins of Christianity. Delbert Burkett focuses on the New Testament, but also looks at a wealth of non-biblical writing to examine the history, religion and literature of Christianity in the years from 30 CE to 150 CE. The book is organized systematically with questions for in-class discussion and written assignments, step-by-step reading guides on individual works, special box features, charts, maps and numerous illustrations designed to facilitate student use. An appendix containing translations of primary texts allows instant access to the writings outside the canon. For this new edition, Burkett has reorganized and rewritten many chapters, and has also incorporated revisions throughout the text, bringing it up to date with current

scholarship. This volume is designed for use as the primary textbook for one and two-semester courses on the New Testament and Early Christianity.

After the New Testament Jun 19 2020 The remarkable diversity of Christianity during the formative years of the first three centuries has become a plain, even natural, "fact" for most ancient historians. However, until now there has been no source book of primary texts that reveals the many varieties of Christian beliefs, practices, ethics, experiences, confrontations, and self-understandings. To help readers recognize and experience the rich diversity of the early Christian movement, *After the New Testament* provides a wide range of texts, both "orthodox" and "heterodox". It includes such works as the Apostolic Fathers, the writings of Nag Hammadi, early pseudepigrapha, martyrologies, anti-Jewish tractates, heresiologies, canon lists, church orders, Liturgical texts, and theological treatises. In

addition, rather than including only fragments of texts, this collection provides substantial sections -- entire documents wherever possible -- organized under social and historical rubrics.

The Darkening Age Nov 24 2020 A New York Times Notable Book, winner of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. The Darkening Age is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being

meek and mild, they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.

Vocations Sep 15 2022 This course leads high school juniors and seniors toward a deeper understanding of God's call in the life of his people. The course covers the call of the laity and the four states of life: married, single,

ordained, and consecrated.

Stand Your Ground Feb 08 2022 My freshman year of college was a battle, writes Katie, a college student and a strong Christian. The transition from high school to college is one of the most pivotal times in a young person's life. After departing from under the protective wings of their parents, young adults often have trouble holding firm to the Christian faith. 'Stand Your Ground' is an introduction to apologetics for young adults in high school or college. The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses. Dean Hardy takes readers on a spiritual and intellectual journey, addressing such issues as the nature of truth and reality, the investigation of other worldviews, the evidence for Christianity, critics' arguments against Christianity, and the relationship between apologetics and evangelism.

The Christian Student May 31 2021 Includes

music.

Comparative Christianity Oct 04 2021 Comparative Christianity: A Student's Guide to a Religion and its Diverse Traditions explores what Christians have in common and then works through the three major subdivisions of the faith: Eastern, Roman, and Protestant. Using categories common to many definitions of religion, each chapter employs the categories of belief, individual and group moral codes, ceremonies, and associations. The book is a good choice for a textbook on Christianity, for the general reader and/or the follower of other religious traditions who want to learn about the Christian faith. By reading this book, readers will have a fuller knowledge of what Christians, whatever tradition, have in common and what distinguishes one Christian group from another. Comparative Christianity is different than other similar books on the market. It includes groups normally ignored, such as the Coptic and Ethiopian Orthodox Christians and Mormon

groups beyond the scope of the Salt Lake City Latter-day Saints community (including the recent Texas group at the center of a polygamy controversy). Also, Comparative Christianity includes a review quiz at the end of each chapter so that readers can see how much knowledge they have acquired. These quizzes may also be used by professors if the text is used in a course.

Year of Progress in the World's Student Christian Federation Nov 12 2019

Digital Humanities and Christianity Feb 14 2020

This volume provides the first comprehensive introduction to the intersections between Christianity and the digital humanities. DH is a well-established, fast-growing, multidisciplinary field producing computational applications and analytical models to enable new kinds of research. Scholars of Christianity were among the first pioneers to explore these possibilities, using digital approaches to transform the study of Christian texts, history and ideas, and innovative work is taking place today all over the

world. This volume aims to celebrate and continue that legacy by bringing together 15 of the most exciting contemporary projects, grouped into four categories. "Canon, corpus and manuscript" examines physical texts and collections. "Words and meanings" explores digital approaches to language and linguistics. "Digital history" uses digital techniques to explore the Christian past, and "Theology and pedagogy" engages with digital approaches to teaching, formation and Christian ideas. This volume introduces key debates, shares exciting initiatives, and aims to encourage new innovations in analysis and communication. Christianity and the Digital Humanities is ideally suited as a starting point for students and researchers interested in this vast and complex field.
