**Inside Story** Mar 11 2022 An autobiographical novel that's a tender, witty exploration of the hardest questions: how to live, how to grieve, and how to die—from "the Mick Jagger of literature ... Amis is the most dazzling prose stylist in post-war British fiction" (The Daily Telegraph). "[A] charismatic compound of fact and fiction ... Martin Amis has retained the power to surprise." —Parul Sehgal, The New York Times This novel had its birth in the death of Martin Amis's closest friend, the incomparable Christopher Hitchens, and it is within that profound and sprawling friendship that Inside Story unfurls. From their early days as young magazine staffers in London, reviewing romantic entanglements and the latest literary gossip (not to mention ideas, books, and where to lunch), Hitch was Amis's wingman and adviser, especially in the matter of the alluringly amoral Phoebe Phelps—an obsession Amis must somehow put behind him if he is ever to find love, marriage, a plausible run at happiness. Other figures competing as Amis's main influencers are his literary fathers—Kingsley, of course; his hero Saul Bellow; the weirdly self-finessing poet Philip Larkin—and his significant literary mothers, including Iris Murdoch and Elizabeth Jane Howard. Moving among these greats to set his own path, he winds up surveying the horrors of the twentieth century, and the still-unfolding impact of the 9/11 attacks on the twenty-first—and considers what all of this has taught him about how to live and how to be a writer. The result is a love letter to life—and to the people in his life—that achieves a new level of confidentiality with his readers, giving us the previously unseen portrait of his extraordinary world.

**A Pele do Tambor** Aug 24 2020 Faltam onze minutos para a meia-noite quando o sistema central do Vaticano é atacado por um vírus informático que divulga uma mensagem sobre uma igreja em Sevilha que "mata para se defender". O enigma agita os serviços de informação, que se empenham como nunca em descobrir a identidade do hacker. Lorenzo Quart, padre "fiável como um canivete suíço", parte com a missão de investigar a igreja envolvida na polémica e depara-se com uma realidade mais complexa do que esperava. Há o velho padre e o seu jovem acólito; a mulher adúltera de olhos cor de mel; a freira americana que está a restaurar as obras de arte da igreja; um banqueiro ciumento; três pitorescos bandidos; vários homens de negócios e até mesmo o arcebispo de Sevilha. Uma obra na qual pulsam o mistério e a intriga, a tensão dramática e as paixões humanas. A Pele do Tambor é um testemunho do amor de Pérez-Reverte pela Arte, a História, e a belíssima cidade de Sevilha.

**The Ballad of Peckham Rye** Aug 04 2021 A slender satirical gem from the "master of malice and mayhem" (The New York Times) The Ballad of Peckham Rye is a wickedly farcical tale of an English factory town turned upside-down by a Scot who may or may not be in league with the Devil. Dougal Douglas is hired to do "human research" into the lives of the workers, Douglas stirs up mutiny and murder.

**Trilogía «Versos, canciones y trocitos de carne»** Jan 29 2021 La trilogía que ha reinventado la novela negra, ahora reunida en un solo ebook. Descubre a Augusto Ledesma. Descubre «Versos, canciones y trocitos de carne». La investigación del cruento asesinato de una joven ecuatoriana que aparece junto a unos misteriosos versos ocupa las primeras páginas de Memento mori, el inicio de la trilogía y el inicio de la historia del asesino más narcisista y más peculiar que ha pasado por las páginas de un libro desde hace mucho tiempo: Augusto Ledesma. Sin embargo, para combatir sus pecados aparece con pericia su antagonista, el inspector Ramiro Sancho, para el que los brutales crímenes se acabarán convirtiendo en una completa obsesión. Así, en un juego peligroso en el que la música, la literatura y la violencia más pura se mezclan sin rubor, estos personajes viajarán, no solo a través de la Península, sino de toda Europa, en un intentode saldar -cada cual a su manera- sus deudas consigo mismos y con sus respectivos pasados. Reseñas: «Hay dos formas de hacer suspense: acometerlo a la perfección o ser distinto. Gellida es lo segundo, pero sin dejar en ningún momento de ser lo primero.» Ángeles López, La Razón «Suspense bien construido, en un impensable escenario, con una prosa honesta que se bebe como el mejor de los Riberas del Duero que en sus páginas se mencionan. No creo equivocarme si digo que asistimos a lo que podría ser el establecimiento del "género Gellida", que promete continuar.» Ángeles López, Qué Leer «Memento mori es una novela escrita en full HD y tiene sonido Dolby Surround de última generación. En la medida en que se vaya sumergiendo en el argumento verá que la nitidez en las descripciones es insuperable y que la banda sonora le envuelve sin remisión.» Michael Robinson «Personajes memorables, thriller de alta tensión, imposible dejar de leer: César Pérez Gellida corre el riesgo de convertirse en el Stieg Larsson español.» John Carlin «Me impactó cómo el autor ha sido capaz de retratar el mal entre canciones y poemas. Es una lectura que te atrapa desde el inicio por su escritura meticulosa y envolvente. Y tiene un detective que recuerda al mejor Carvalho de Vázquez Montalbán.» Sandra Barneda «Memento mori (recuerda que morirás) es un novela policiaca de las que remueven al lector en su butaca, un thriller psicológico de los que inquietan hasta la última página, una apasionante y adictiva historia que araña los pilares del género negro con el fin inequívoco de hacerse perenne en el recuerdo.» Marca.com «Con Memento Mori he descubierto un novelón criminal de los que nunca se escriben en este país. Uno de los protagonistas, un asesino en serie, podría proyectar su mirada contra los ojos del mismísimo Hannibal Lecter, ese coloso inmortal, y no pestañearía. Literatura made in Spain de alto voltaje.» Ramón Palomar, Las Provincias «Pérez Gellida posee esa cualidad innata de todo buen estratega de saber cuándo hay que jugársela, y ahora saborea desde la trinchera editorial el éxito del que se sabe tenido en cuenta.» Diario Sur

**The Voices of Water** Oct 14 2019 Under a persistent rain, which seems destined to never subside, Stavros lives and moves through the streets of dark and gloomy nameless city; he has a job and a fiancée, his life is normal. Yet several, different voices talk to him - sometimes whispering, sometimes whining or yelling - whenever he hears the water running. One day, Stavros wanders the city under a heavy rain; voices become insistent, revealing his deepest, unspeakable secrets as well as his dreams and memories. He is tormented by these mysterious voices, perhaps a sign of his madness. Or perhaps of a wider, collective madness, which infects everyone around him, to the point of being transmitted to the entire universe. "I hear voices." "It's called schizophrenia." "No ... I only hear them when the water runs." "It's always called schizophrenia." A dramatic graphic novel full of black humor, spectacular and disturbing, written with visionary power and extraordinary narrative impetus by an absolute master of comics, Tiziano Scavi, the creator of Dylan Dog. And illustrated by one of the most important Italian comics artists of the last decade, Werther Dell'Edera, co-creator of the bestselling Something Is Killing The Children. THE VOICES OF WATER is a dystopic, dark yet magnificent graphic novel. THE VOICES OF WATER is a classic metaphor: The Wandering Hero, The Inner Journey. THE VOICES OF WATER is a thought-provoking ride, as it conveys the frenzy and the feelings of our modern society.

**The Seville Communion** Sep 17 2022 An "intricate literary mystery [of] wrenching effect" by the internationally acclaimed, bestselling author of *The Club Dumas* (The New Yorker). Someone has hacked into the pope's personal computer—not to spy on the Vatican or to spread a virus, but to send an urgent plea for help: SAVE OUR LADY OF THE TEARS. The crumbling Baroque church in the heart of Seville is slated for demolition—and two of its defenders have suddenly died. Accidents? Or murders? And was the church itself somehow involved? The Vatican promptly dispatches Father Lorenzo Quart, their worldly and enormously attractive emissary, to investigate the situation, track down the hacker—known only as "Vespers"—and stay alive. Thus begins a sophisticated and utterly suspenseful page-turner that has taken its readers by storm. "An elegant thriller that is as much about the elusive quest for happiness as it is about solving the murders." —The Denver Post "An indelible tale of love, faith, and greed." —People, Page-Turner of the Week

**La piel del tambor** Dec 28 2020 «Una atractiva historia de amor, codicia, fe, traición y asesinato. La Sevilla de Pérez-Reverte seduce a su protagonista y a sus lectores de la misma forma.» Publishers Weekly Un pirata informático que se infiltra en el Vaticano. Una iglesia barroca, en Sevilla, que mata para defenderse. Tres pintorescos malvados que aspiran a mantener viva la copla española. Una bella aristócrata andaluza. Un apuesto sacerdote-agente especialista en asuntos sucios. Un banquero celoso y su secretario ludópata. Una septuagenaria que bebe Coca-cola. La tarjeta postal de una mujer muerta un siglo atrás. Y el misterioso legado del capitán Xaloc, último corsario español, desaparecido frente a las costas de Cuba en 1898. Con esos ingredientes, Arturo Pérez-Reverte construye en *La piel del tambor* una ingeniosa, compleja y fascinante trama novelesca. Con su imaginación desbordante, su espectacular dominio de la ingeniería narrativa y de los diversos géneros superpuestos -misterio, policíaco, historia, romanticismo, aventura, folletín- el autor nos sumerge sin aliento en una historia que corta al lector cualquier posible retirada, arrastrándolo a un enigma cuya clave se esconde a la sombra de los viejos muelles del Guadalquivir; donde todavía hoy, en las noches de luna llena, sombras de mujer agitan sus pañuelos y goletas tripuladas por fantasmas siguen zarpando rumbo a las Antillas. La crítica ha dicho... «Pérez-Reverte maneja todos los hilos del oficio. Los seguidores de la novela de suspense quedarán satisfechos y también los lectores que no desdeñan la profundidad.» Le Figaro Litteraire «La piel del tambor es una de esas inusuales novelas de suspense que trascienden el género.» Time Magazine «Un intrincado misterio literario... arrebatador.» The New Yorker «Una absorbente literatura sin defectos... Leer a Pérez-Reverte es uno de los mayores placeres que la ficción contemporánea ofrece.» Kirkus Reviews «Ingeniería perfecta.» La Jornada de México

**Essays on English and American Literature** May 13 2022 The late Leo Spitzer enjoyed a reputation as one of the twentieth century's outstanding philologists and linguists. His writings in the field of the romance languages and of comparative philology have been always stimulating, often controversial. This collection presents his essays in English and American literature which appeared in various journals and other publications during his lifetime. They range from an explication of text of three great Middle English poems, through close scrutiny of writings of Donne, Milton, Keats, to a consideration of Edgar Allan Poe and Whitman, and, finally, to one of Yeats' poems. Each of the essays in this collection is illuminated and heightened by Professor Spitzer's careful and imaginative exegesis. The delightful "American Advertising Explained as Popular Art" is included as a sample of Professor Spitzer's commentary on American culture. Originally published in 1962. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**Androgyny in Modern Literature** Feb 16 2020 Androgyny in Modern Literature engages with the ways in which the trope of androgyny has shifted during the late nineteenth and twentieth-centuries. Alchemical, platonic, sexological, psychological and decadent representations of androgyny have provided writers with an icon which has been appropriated in diverse ways. This fascinating new study traces different revisions of the psycho-sexual, embodied, cultural and feminist fantasies and repudiations of this unstable but enduring trope across a broad range of writers from the fin de siècle to the present.

**Memento mori (Versos, canciones y trocitos de carne 1)** Nov 19 2022 La primera entrega de la trilogía «Versos, canciones y trocitos de carne», una novela negra narrada con un dinámico y atrevido lenguaje cinematográfico. Un profundo thriller de acción con banda sonora que te atraparás de principio a fin. Septiembre de 2010. Aquella mañana de domingo nada le hacía presagiar al inspector de homicidios de Valladolid Ramiro Sancho que acababa de dar comienzo una pesadilla que lo dejaría marcado para el resto de sus días. La investigación del asesinato de una joven ecuatoriana a la que le han mutilado los párpados y en cuyo cuerpo han encontrado unos versos amenazantes, ocupa las primeras páginas de esta novela negra narrada con un dinámico y atrevido lenguaje cinematográfico. Sin embargo, el autor nos arrastra por un camino inesperado al describir los hechos desde la perspectiva del propio asesino: un sociópata narcisista influenciado por la música más actual y por las grandes obras de la literatura universal. La evolución frenética de los acontecimientos desemboca en la intervención de uno de los especialistas más reconocidos en el comportamiento de los asesinos en serie. Este complejo triángulo emocional, unido a la intriga que envuelve al siniestro cómplice del asesino, hace que *Memento mori* se convierta en un profundo thriller de acción con banda sonora que atraparás al lector de principio a fin. Reseñas: «Suspense bien construido, en un impensable escenario, con una prosa honesta que se bebe como el mejor de los Riberas del Duero que en sus páginas se mencionan.» Ángeles López. Su lectura me recordó a *Los hombres que no amaban a las mujeres* de Stieg Larsson.» Eugenia Rico «*Memento mori* es una novela escrita en full HD y tiene sonido Dolby Surround de última generación. En la medida en que se vaya sumergiendo en el argumento verá que la nitidez en las descripciones es insuperable y que la banda sonora le envuelve sin remisión.» Michael Robinson «Personajes memorables, thriller de alta tensión, imposible dejar de leer: César Pérez Gellida corre el riesgo de convertirse en el Stieg Larsson español.» John Carlin «Me impactó cómo el autor ha sido capaz de retratar el mal entre canciones y poemas. His mythic characters represent the ultimates in good and evil, and everything in between. Brilliant warriors, they are heartbreakingly human in their ability to love, sacrifice, and summon extraordinary courage when all seems lost. With *Stormrider*, Gemmell continues his spectacular *Rigante* saga as the imperiled highland clan faces its deadliest threat . . . and calls for its greatest hero. *STORMRIDER* A Novel of the *Rigante* Centuries ago, Connavar's triumphant battles against the invading army of Stone gained the *Rigante* their freedom, yet magic that once flourished has been all but snuffed out. The Varlish king and his barons have stolen *Rigante* lands and robbed the people of their culture and liberty. From the *Rigante's* former seat of power the black-hearted Moidart rules; only in the north are the clansmen free. There, in the Druagh mountains, the magic still reigns, strengthened by bold, brilliant victories of the outlaw leader known as Ravenheart. One glorious spark, one moment of *Rigante* rebellion, has ignited a revolution and forged a legend. The conquered clans set about to rediscover their greatness—yet theirs is not the only call to arms. In the south, civil war has drenched the land in blood, and the armies of destruction have begun creeping north. There the brooding Ravenheart waits, knowing the forces of the hated Moidart will come, led by the brutal ruler's only son, *Stormrider*. Ravenheart and *Stormrider*: enemies of uncommon courage, are unaware that the fate of the world lies in their hands. Faced with this inexorable advance, deadly foes will be forced to unite, and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil. Immense armies of darkness advance on the highlanders, and it seems as if nothing will stop them. They crush their enemies with ease, until only a few thousand men stand before them, with no help in sight. But these are not ordinary men they face. They are clansmen, and more than that, they are *Rigante*.

**The Pen and the Cross** Jun 14 2022 This incisive and perceptive new book concerns 'Catholic Literature' in Britain since 1850. To many people, Roman Catholicism is culturally foreign and 'other'. And yet some of the most outstanding writers of recent times have been Catholics - often converts, such as Evelyn Waugh, Graham Greene, Muriel Spark and David Jones. In every case these authors' Catholicism was integral to their creative genius and they represent an important strand in any account of English literature. Professor Griffiths' account is set against a wide and varied canvas. It gives a full account of the growth of Catholicism as a cultural, social and political force in Great Britain since Newman. Griffiths is concerned also to relate his story to movements on the continent and examines on his way the impact of French Catholic writers such as Huysmans, Peguy and Mauriac on their British counterparts and the influence of British Catholic writers such as Newman, Faber and Chesterton on Europe.

**Cyclopedia Exotica** Dec 08 2021 "The characters in Dhaliwal's stories sparkle. They're tenderly rendered and their problems are real... The struggle of the cyclops unfolds in metaphors for race, sexuality, gender, and disability, tangling with ideas about fetishization, interracial relationships, passing, and representation."—Carmen Maria Machado, author of *In the Dream House* Following the critical and popular success of *Woman World*—the hit Instagram comic which appeared on 25 best of lists—Aminder Dhaliwal returns with *Cyclopedia Exotica*. Also serialized on Instagram to her 250,000 followers, this graphic novel showcases Dhaliwal's quick wit and astute socio-cultural criticism. In *Cyclopedia Exotica*, doctor's office waiting rooms, commercials, dog parks, and dating app screenshots capture the experiences and interior lives of the cyclops community; a largely immigrant population displaying physical differences from the majority. Whether they're artists, parents, or yoga students, the cyclops have it tough: they face microaggressions and overt xenophobia on a daily basis. However, they are bent on finding love, cultivating community, and navigating life alongside the two-eyed majority with patience and the occasional bout of rage. Through this parallel universe, Dhaliwal comments on race, difference, beauty, and belonging, touching on all of these issues with her distinctive deadpan humour steeped in millennial references. *Cyclopedia Exotica* is a triumph of hilarious candor.

*The Poems of Walter Kennedy* Mar 19 2020 "Walter Kennedy was a Scottish makar associated with the renaissance court of James IV. He is perhaps best known as the defendant against William Dunbar in *The Flying of Dunbar* and *Kennedie*, but his surviving works clearly show him to have been an

accomplished "master" in many genres. It is likely that a significant body of poetry by him has been lost. His most impressive surviving poem is The Passioun ... As great-grandson of Robert III and nephew of James Kennedy, bishop of St Andrews, Kennedy would have been very well-connected in the royal court. He possessed estates in both Carrick and Galloway and is known to have held ecclesiastical posts such as rector of Douglas and canon of Glasgow Cathedral although records show that his right to hold at least one of his posts was contested by the Holy See in Rome.
