Fools Rush In

From an award-winning New York Times reporter comes the full, mind-boggling true story of the lies, crimes, and ineptitude behind the Enron scandal that imperiled a presidency, destroyed a marketplace, and changed Washington and Wall Street forever. It was the corporate collapse that appeared to come out of nowhere. In late 2001, the Enron Corporation—a darling of the financial world, a company whose executives were friends of presidents and the powerful—imploded virtually overnight, leaving vast wreckage in its wake and sparking a criminal investigation that would last for years. Kurt Eichenwald transforms the unbelievable

story of the Enron scandal into a rip-roaring narrative of epic proportions, taking readers behind every closed door—from the Oval Office to the executive suites, from the highest reaches of the Justice Department to the homes and bedrooms of the top officers. It is a tale of global reach—from Houston to Washington, from Bombay to London, from Munich to Sao Paulo—laying out the unbelievable scenes that twisted together to create this shocking true story. Eichenwald reveals never-disclosed details of a story that features a cast including George W. Bush, Dick Cheney, Paul O'Neill, Harvey Pitt, Colin Powell, Gray Davis, Arnold Schwarzenegger, Alan Greenspan, Ken Lay, Andy Fastow, Jeff Skilling, Bill Clinton, Rupert Murdoch and Sumner Redstone. With its you-are-there glimpse into the secretive worlds of corporate power, *Conspiracy of Fools* is an all-true financial and political thriller of cinematic proportions. A young man searches for three people more

foolish than his fiancée and her parents. "Beautifully vicious. Perfect for the fairytale reader who has always wanted the heroine to grow sharp teeth and bite Prince Charming."—Chloe Gong, #1 New York Times bestselling author of *These Violent Delights* A darkly enchanting fantasy debut about a morally gray witch, a cursed prince, and a prophecy that ignites their fate-twisted destinies—perfect for fans of *The Cruel Prince* and *Serpent & Dove*. Violet is a prophet and a liar, influencing the royal court with her cleverly phrased—and not always true—divinations. Honesty is for suckers, like the oh-so-not charming Prince Cyrus, who plans to strip Violet of her official role once he's crowned at the end of the summer—unless Violet does something about it. But when the king asks her to falsely prophesy Cyrus's love story for an upcoming ball, Violet awakens a dreaded curse, one that will end in either damnation or salvation for the

kingdom—all depending on the prince's choice of future bride. Violet faces her own choice: Seize an opportunity to gain control of her own destiny, no matter the cost, or give in to the ill-fated attraction that's growing between her and Cyrus. Violet's wits may protect her in the cutthroat court, but they can't change her fate. And as the boundary between hatred and love grows ever thinner with the prince, Violet must untangle a wicked web of deceit in order to save herself and the kingdom—or doom them all. To survive in the City of Sin, an innocent girl must choose her new identity in this dark YA fantasy—the sequel to *Ace of Shades*. Indulge your vices in the City of Sin, where a sinister street war is brewing and fame is the deadliest killer of them all. Prim and proper Enne Salta never expected to team up with an infamous con man like Levi Glaiyser. But winning the *Shadow Game* was not the victory they imagined. Now the duo are wanted for murder and Enne is forced to live in

disguise as Séance, a mysterious figure of the underworld. Desperate to build his empire, Levi makes a deal with the estranged son of Mafia donna Vianca Augustine, while Enna remains trapped by Vianca's binding oath, unsure whether to embrace the role of refined lady or cunning street lord. As they walk a path of unimaginable wealth, a dangerous game of crime and politics swirls around them. And when unforeseen players enter, they must each make an impossible choice: sacrifice everything . . . Or die as legends. New York Times bestselling author Bernard Cornwell makes a dramatic departure with this enthralling, action-packed standalone novel that tells the story of the first production of *A Midsummer Night's Dream*—as related by William Shakespeare's estranged younger brother. Lord, what fools these mortals be . . . In the heart of Elizabethan England, Richard Shakespeare dreams of a glittering career in one of the London playhouses, a world

dominated by his older brother, William. But he is a penniless actor, making ends meet through a combination of a beautiful face, petty theft and a silver tongue. As William's star rises, Richard's onetime gratitude is souring and he is sorely tempted to abandon family loyalty. So when a priceless manuscript goes missing, suspicion falls upon Richard, forcing him onto a perilous path through a bawdy and frequently brutal London. Entangled in a high-stakes game of duplicity and betrayal which threatens not only his career and potential fortune, but also the lives of his fellow players, Richard has to call on all he has now learned from the brightest stages and the darkest alleyways of the city. To avoid the gallows, he must play the part of a lifetime Showcasing the superb storytelling skill that has won Bernard Cornwell international renown, *Fools and Mortals* is a richly portrayed tour de force that brings to life a vivid world of intricate stagecraft, fierce competition, and consuming

ambition. In a study of the Enron scandal, the author goes behind the scenes to profile the players and expose business practices involved in the financial and political debacle that had a profound impact on both Washington and Wall Street. Myth and reality collide on an Ithaca campus "in a comic fantasy of wonderful energy, invention, and generosity of spirit" (Alison Lurie). Stephen Titus George is a young writer-in-residence at Cornell University in upstate New York. An imaginative bestselling author in search of a new story, he's seeing his life as a modern-day fairy tale, and himself as a would-be knight looking to woo a lovely maiden—or two: the bewitching Calliope and his guiding light, Aurora Borealis Smith. However, his happy ending might not be up to him. There's another writer who has a greater influence on campus. Unseen, yet twice as formidable, Mr. Sunshine is an eternal semi-retired deity who's been fashioning his own narrative for centuries. He has

all his characters in place—dragons, sprites, gnomes, and villains. And now, finally, his hero. As Mr. Sunshine's world comes to fabulous and violent life, can Stephen decide his own fate if it's already being plotted by a god? An epic of life and death, good and evil, love and sorcery, *Fool on the Hill* lands Matt Ruff happily on the shelf between Tom Robbins and J. R. R. Tolkien for every lover of the "funky and fantastical" (New York magazine). "Inspired . . . rich in flavorful language . . . [a] dazzling tour de force."
—San Francisco Chronicle
"The plot comes together like a brilliant clockwork toy."
—Locus Selected by The New York Times Book Review as a Notable Book of the Year A revelatory tale of science, adventure, and modern myth. When the writer Donovan Hohn heard of the mysterious loss of thousands of bath toys at sea, he figured he would interview a few oceanographers, talk to a few beachcombers, and read up on Arctic science and geography. But questions can

be like ocean currents: waded in too far, and they carry you away. Hohn's accidental odyssey pulls him into the secretive world of shipping conglomerates, the daring work of Arctic researchers, the lunatic risks of maverick sailors, and the shadowy world of Chinese toy factories. *Moby-Duck* is a journey into the heart of the sea and an adventure through science, myth, the global economy, and some of the worst weather imaginable. With each new discovery, Hohn learns of another loose thread, and with each successive chase, he comes closer to understanding where his castaway quarry comes from and where it goes. In the grand tradition of Tony Horwitz and David Quammen, *Moby-Duck* is a compulsively readable narrative of whimsy and curiosity. If this guy can find actual happiness, so can you—and you'll have fun along the way. A refreshing new voice—without pretense, and with a real gift for clear expression. Let's face it: we all have a motivating drive to

become "better." what we have and who we are never seem to be good enough. This feeling that something is wrong or needs to be fixed causes us to continuously run around, chasing after what we feel will finally fulfill us. But what if these very conditions that we are constantly trying to escape from could be used as a way to awaken ourselves—to connect with the peace already within us? A Fool's Guide to Actual Happiness offers a realistic roadmap for working toward inner peace without needing to be someone you're not. With humor and refreshing simplicity, Van Buren shows how everything life throws at you, good and bad, can be used as a means to cultivate compassion, wisdom, and loving-kindness. This book allows you to explore who you are—warts and all—and gives you tools to love and accept what you find. "Jillian Cantor beautifully re-crafts an American classic in Beautiful Little Fools, placing the women of The Great Gatsby center stage: more than merely

beautiful, not so little as the men in their lives assume, and certainly far from foolish. Both fresh and familiar, this page-turner is one to savor!" —Kate Quinn, New York Times bestselling author of The Rose Code "Jillian Cantor's shifting kaleidoscope of female perspectives makes F. Scott Fitzgerald's classic tale of Jazz Age longing and lust feel utterly modern. A breathtaking accomplishment."—Fiona Davis, New York Times bestselling author of The Lions of Fifth Avenue USA Today bestselling author Jillian Cantor reimagines and expands on the literary classic The Great Gatsby in this atmospheric historical novel with echoes of Big Little Lies, told in three women's alternating voices. On a sultry August day in 1922, Jay Gatsby is shot dead in his West Egg swimming pool. To the police, it appears to be an open-and-shut case of murder/suicide when the body of George Wilson, a local mechanic, is found in the woods nearby. Then a diamond hairpin is

discovered in the bushes by the pool, and three women fall under suspicion. Each holds a key that can unlock the truth to the mysterious life and death of this enigmatic millionaire.

Daisy Buchanan once thought she might marry Gatsby—before her family was torn apart by an unspeakable tragedy that sent her into the arms of the philandering Tom Buchanan. Jordan Baker, Daisy's best friend, guards a secret that derailed her promising golf career and threatens to ruin her friendship with Daisy as well. Catherine McCoy, a suffragette, fights for women's freedom and independence, and especially for her sister, Myrtle Wilson, who's trapped in a terrible marriage. Their stories unfold in the years leading up to that fateful summer of 1922, when all three of their lives are on the brink of unraveling. Each woman is pulled deeper into Jay Gatsby's romantic obsession, with devastating consequences for all of them. Jillian Cantor revisits the glittering Jazz Age world of F.

Scott Fitzgerald's *The Great Gatsby*, retelling this timeless American classic from the women's perspective. *Beautiful Little Fools* is a quintessential tale of money and power, marriage and friendship, love and desire, and ultimately the murder of a man tormented by the past and driven by a destructive longing that can never be fulfilled. Our world is changing dramatically, yet many Christians still rely on cookie-cutter approaches to evangelism and apologetics. In his magnum opus, *Os Guinness* presents the art and power of creative persuasion—the ability to talk to people who are closed to what we are saying. Discover afresh the persuasive power of Christian witness. The #1 New York Times bestseller from FOX News star of *Tucker Carlson Tonight* offers “a targeted snipe at the Democrats and Republicans and their elite enablers” (*New York Journal of Books*) in a funny political commentary on how America's ruling class has failed everyday Americans. “Informal and often

humorous...an entertainingly told narrative of elite malfeasance” (Publishers Weekly), Tucker Carlson’s *Ship of Fools* tells the truth about the new American elites, a group whose power and wealth has grown beyond imagination even as the rest of the country has withered. The people who run America now barely interact with it. They fly on their own planes, ski on their own mountains, watch sporting events far from the stands in sky boxes. They have total contempt for you. In *Ship of Fools*, Tucker Carlson offers a blistering critique of our new overlords and answers the all-important question: How do we put the country back on course? Traditional liberals are gone, he writes. The patchouli-scented hand-wringers who worried about whales and defended free speech have been replaced by globalists who hide their hard-edged economic agenda behind the smokescreen of identity politics. They’ll outsource your job while lecturing you about transgender bathrooms. Left

and right, Carlson says, are no longer meaningful categories in America. “The rift is between those who benefit from the status quo, and those who don’t.” Our leaders are fools, Carlson concludes, “unaware that they are captains of a sinking ship.” But in the signature and witty style that viewers of Tucker Carlson Tonight enjoy so much, *Ship of Fools* is “bulging with big and interesting ideas, presented succinctly with wit and precision, each chapter a potential book in itself” (The Washington Times). “Fantasy as it ought to be written . . . Robin Hobb’s books are diamonds in a sea of zircons.”—George R. R. Martin

For fifteen years FitzChivalry Farseer has lived in self-imposed exile, assumed to be dead by almost all who once cared about him. But now, into his isolated life, visitors begin to arrive: Fitz’s mentor from his assassin days; a hedge-witch who foresees the return of a long-lost love; and the Fool, the former White Prophet, who beckons Fitz to

fulfill his destiny. Then comes the summons he cannot ignore. Prince Dutiful, the young heir to the Farseer throne, has vanished. Fitz, possessed of magical skills both royal and profane, is the only one who can retrieve him in time for his betrothal ceremony, thus sparing the Six Duchies profound political embarrassment . . . or worse. But even Fitz does not suspect the web of treachery that awaits him—or how his loyalties will be tested to the breaking point. Praise for Robin Hobb and *Fool's Errand* "[Robin] Hobb has created a world brimming with detail and complexity [and] once again proves herself a full master of the epic fantasy."—Tulsa World "Splendid . . . Despite some truly wrenching twists, there is a welcome sense of new beginnings."—Locus DigiCat Publishing presents to you this special edition of "King's Fool" by Margaret Campbell Barnes. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been

carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Set in present day Manhattan, *The Fool of New York City* is the tale of two souls who are considered to be "fools" and "idiots" in the eyes of most people they encounter. One is a literal giant, the other an amnesiac who believes he is the seventeenth-century Spanish painter Francisco de Goya, hundreds of years old, aging more slowly than the rest of the human race. Billy the giant briefly suffered from amnesia years ago, and he understands the anguish of those who have lost their identity. He is an apparently simple person, a failed basketball player with an enormous good heart, who takes Francisco under his wing after they meet through a seeming coincidence. Together they undertake the search to discover Francisco's true past.

The quest leads them on numerous adventures and into the shrouded realm of hidden memories and the mysterious dimensions of the mind. It is a journey into the ironies and the complexities of human character and destiny. Explores the author's theorized evolutionary basis for self-deception, which he says is tied to group conflict, courtship, neurophysiology, and immunology, but can be negated by awareness of it and its results. A dazzling new collection of interconnected stories by the National Book Award finalist. When is it wise to be a fool for something? What makes people want to be better than they are? From New York to India to Paris, from the Catholic Worker movement to Occupy Wall Street, the characters in Joan Silber's dazzling new story cycle tackle this question head-on. Vera, the shy, anarchist daughter of missionary parents, leaves her family for love and activism in New York. A generation later, her own doubting daughter insists on

the truth of being of two minds, even in marriage. The adulterous son of a Florida hotel owner steals money from his family and departs for Paris, where he takes up with a young woman and finds himself outsmarted in turn. Fools ponders the circle of winners and losers, dupers and duped, and the price we pay for our beliefs. Fools is a luminous, intelligent, and rewarding work of fiction from the author for whom the Boston Globe said, "No other writer can make a few small decisions ripple across the globe, and across time, with more subtlety and power." International bestselling author Mark Lawrence continues the bold new world of dark fantasy he created in the Broken Empire trilogy with the first book of the Red Queen's War... For all her reign the Red Queen has fought the long war, contested in secret, against the powers that stand behind nations, for higher stakes than land or gold. Her greatest weapon is The Silent Sister—unseen by most and unspoken of by all.

The Red Queen's grandson, Prince Janan Kendeth—drinker, gambler, seducer of women—is one who can see The Silent Sister. Content with his role as a minor royal, Jan pretends that the hideous crone is not there. But war with the undead is coming, and the Red Queen has called on her family to defend the realm. Jan thinks that nothing that will affect him. He's wrong... After escaping a death trap set by the Silent Sister, Jan finds his fate magically intertwined with a fierce Norse warrior. As the two undertake a journey to undo the spell, encountering grave dangers, willing women, and an upstart prince named Jorg Ancrath along the way, Janan gradually catches a glimmer of the truth: he and the Norseman are but pieces in a game—and the Red Queen controls the board. The dramatic and hilarious story of sores and survival on a human-powered journey across the ocean. It was to be an expedition like no other—a run across the Atlantic from Morocco to Barbados aboard

an experimental rowboat. There would be no support vessel, no stored water, no sails, no motor. The boat's crew of sixteen included several veterans of U.S. college rowing, a number of triathletes, a woman who had rowed both the Atlantic and Indian Oceans, and a scrawny, bespectacled sexagenarian -- our chronicler, Charles Wilkins. When he joined the expedition, Wilkins had never swung an oar in earnest. In a tale both harrowing and hilarious, Wilkins takes the reader along for seven weeks of rationed food, festering sores, breathtaking sunrises, sleep deprivation, and mile-high waves alongside a devoted crew of misadventurers. Little Ship of Fools is a fascinating and funny story of courage, adventure and human spirit. At once poem, essay, memoir fragment, and art object, The Book of Fools is a sweeping elegy for our earth-and our plastic-choked ocean. Faced with the question of how to express the enormous ecological loss of our time, poet

Sam Taylor marries this collective loss to a personal story of loss involving childhood, memory, and a mother's early death to cancer, a story which culminates in a scene the speaker is compelled to revisit, relive, and revise. Along the way, the poet's experiments in a poetics of "self-erasure" create a polyphonic reading experience, enrich the book's journey into the underworld, and deepen its investigation into nonfiction, myth, and aesthetics. Weaving together a diversity of themes, styles and lyric innovation, *The Book of Fools* challenges and refreshes our notions of what a poem can look like and what it can accomplish. A real-life thriller—the story of kickbacks and payoffs, of shady deals struck in secret with known felons; a story in which half a million people lose enormous sums—some their life's savings—in the largest securities fraud of the 1980s, with names like Onassis and Bush numbered among the victims. *The Fool's Progress*, the "fat masterpiece" as

Edward Abbey labeled it, is his most important piece of writing: it reveals the complete Ed Abbey, from the green grass of his memory as a child in Appalachia to his approaching death in Tucson at age sixty two. When his third wife abandons him in Tucson, boozing, misanthropic anarchist Henry Holyoak Lightcap shoots his refrigerator and sets off in a battered pick-up truck for his ancestral home in West Virginia. Accompanied only by his dying dog and his memories, the irascible warhorse (a stand-in for the "real" Abbey) begins a bizarre cross-country odyssey--determined to make peace with his past--and to wage one last war against the ravages of "progress." "A profane, wildly funny, brash, overbearing, exquisite tour de force." -- *The Chicago Tribune* Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. The 25th-anniversary edition of "a novel that in the sweep and inevitability of its

events...is a major contribution to Native American literature." (Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfeet Indians, are living their immemorial life. The men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, *Fools Crow* is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to

provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. In this lively work, Beatrice K. Otto takes us on a journey around the world in search of one of the most colorful characters in history—the court jester. Though not always clad in cap and bells, these witty, quirky characters crop up everywhere, from the courts of ancient China and the Mogul emperors of India to those of medieval Europe, Africa, the Middle East, and the Americas. With a wealth of anecdotes, jokes, quotations, epigraphs, and illustrations (including flip art), Otto brings to light little-known jesters, highlighting their humanizing influence on people with power and position and placing otherwise remote historical figures in a more idiosyncratic, intimate light. Most of the work on the court jester has concentrated on Europe; Otto draws on previously untranslated classical Chinese writings and

other sources to correct this bias and also looks at jesters in literature, mythology, and drama. Written with wit and humor, *Fools Are Everywhere* is the most comprehensive look at these roguish characters who risked their necks not only to mock and entertain but also to fulfill a deep and widespread human and social need. Loretta Marion's debut novel is a twisty page-turner, expertly blending the webs of mystery, danger and suspense with the alluring possibility of romance from a once unrequited love. As a religious sceptic, Bill Medley investigates the five major world religions: Buddhism, Christianity, Hinduism, Islam and Judaism, from a layman's perspective. He attempts to see what can be known, if anything, about a 'God' or an 'afterlife' from logic and tangible evidence. Originally written as a letter to his sister-in-law, in *Religion is For Fools!* he shares his findings with her and tries to address her objections. Bill Medley worked as a professional entertainer for fifteen years. His stand-up

comedy routines sometimes included satires on religion. Here he gives it a more serious examination. 'Absolutely brilliant! ... If all those who argue over religion had a copy of this book it would revolutionise the relationship between me and my bank manager.' Bill Medley 'This book has dramatically changed my whole attitude towards typing.' Diana Medley (wife) Fictional Book based on the true life events. The Known Lands are teetering on the brink of war. Desperate to avert worldwide catastrophe, Jack, the baker's boy, must learn to harness the full strength of his magic to face his ultimate destiny--a final confrontation with the murderously evil Kylock. Kurt Eichenwald—New York Times bestselling author of *Conspiracy of Fools* and *The Informant*—recounts the first 500 days after 9/11 in a comprehensive, compelling page-turner as gripping as any thriller. In *500 Days*, master chronicler Kurt Eichenwald lays bare the harrowing

decisions, deceptions, and delusions of the eighteen months that changed the world forever, as leaders raced to protect their citizens in the wake of 9/11. Eichenwald's gripping, immediate style and true-to-life dialogue puts readers at the heart of these historic events, from the Oval Office to Number 10 Downing Street, from Guantanamo Bay to the depths of CIA headquarters, from the al-Qaeda training camps to the torture chambers of Egypt and Syria. He reveals previously undisclosed information from the terror wars, including never before reported details about warrantless wiretapping, the anthrax attacks and investigations, and conflicts between Washington and London. With his signature fast-paced narrative style, Eichenwald—whose book, *The Informant*, was called “one of the best nonfiction books of the decade” by *The New York Times Book Review*—exposes a world of secrets and lies that has remained hidden for far too long. In the end, love is more

important than everything and it will conquer and overcome anything. Or that's how Damon saw it, anyway. Damon wanted a book that talked a lot about love. Damon Courtenay died on the morning of April Fool's Day. In this tribute to his son, Bryce Courtenay lays bare the suffering behind this young man's life. Damon's story is one of lifelong struggle, his love for Celeste, the compassion of family, and a fight to the end for integrity. A testimony to the power of love, *April Fool's Day* is also about understanding: how when we confront our worst, we can become our best. This life-affirming book will change the way you think. Visit brycecourtenay.com Detective and mystery stories. Played out in the worlds of gambling, publishing and the film industry, Merlyn and his brother Artie obey their own code of honour in the ferment of contemporary America, where law and organized crime are one and the same. Follow the action from New York to Las Vegas. Fools. Rebels. Ignorant peasants. That's how

the Roman world saw the first Christians. Led by fishermen, tax collectors and renegade Pharisees, the first Christians shunned power and welcomed the poor and uneducated. Roman commentators mocked their upside-down values, but the apostle Paul - himself a Roman citizen, and a Pharisee to boot, affirmed that 'God chose what is foolish in the world to shame the wise.' Its followers were persecuted and its leaders killed, yet this ragged collection of lowly tradesmen, women, slaves - and a smattering of turncoat high-born Jews - created a movement that changed the world. How did this happen? How did the kingdom of fools conquer the mighty empire that was Rome? In this fascinating new biography of the early church, Nick Page sets the biblical accounts alongside the latest historical and archaeological research, exploring how the early Christians lived and worshipped - and just why the Romans found this new branch of the Jewish faith so difficult

to comprehend. THE KINGDOM OF FOOLS is a fresh, challenging, accessible portrait of a movement so radical, so dangerous, so thrillingly different that it outlasted the empire that tried to destroy it and went on to become the driving force of our cultural development - and claims more followers today than ever before in history. NATIONAL BESTSELLER • The Pulitzer Prize-winning author of Empire Falls returns to North Bath, the Rust Belt town first brought to unforgettable life in Nobody's Fool. Now, ten years later, Doug Raymer has become the chief of police and is tormented by the improbable death of his wife—not to mention his suspicion that he was a failure of a husband. Meanwhile, the irrepressible Sully has come into a small fortune, but is suddenly faced with a VA cardiologist's estimate that he only has a year or two left to live. As Sully frantically works to keep the bad news from the important people in his life, we are reunited with his son and

grandson . . . with Ruth, the married woman with whom he carried on for years . . . and with the hapless Rub Squeers, who worries that he and Sully aren't still best friends. Filled with humor, heart, and hard-luck characters you can't help but love, *Everybody's Fool* is a crowning achievement from one of the great storytellers of our time. Look for *Somebody's Fool*, coming in July '23. Rewarding job as a local doctor on Cape Cod? Check. Cute cottage of her very own? Check. Adorable puppy suitable for walks past attractive locals? Check! All she needs is for golden boy and former crush Joe Carpenter to notice her, and Millie will be set. But perfection isn't as easy as it looks—especially when Sam Nickerson, a local policeman, is so distracting. Sure, he needs a friend after being dumped by Millie's fortune-hunting sister, but does she really need to enjoy his company that much? He is definitely not part of her master plan. But maybe it's time for Millie to start a new

list... Penguin Classics is proud to welcome William Trevor—"Ireland's answer to Chekhov" (*The Boston Globe*) and "one of the best writers of our era" (*The Washington Post*)—to our distinguished list of literary masters. In this award-winning novel, an informer's body is found on the estate of a wealthy Irish family shortly after the First World War, and an appalling cycle of revenge is set in motion. Led by a zealous sergeant, the Black and Tans set fire to the family home, and only young Willie and his mother escape alive. Fatherless, Willie grows into manhood while his alcoholic mother's bitter resentment festers. And though he finds love, Willie is unable to leave the terrible injuries of the past behind. First time in Penguin Classics Winner of the Whitbread Novel of the Year Award This "dazzling" National Book Award finalist set aboard an ocean liner in 1931 reflects the passions and prejudices that sparked World War II (*San Francisco Chronicle*). August 1931. An ocean liner bound for

Germany sets out from the Mexican port city of Veracruz. The ship's first-class passengers include an idealistic young American painter and her lover; a Spanish dance troupe with a sideline in larceny; an elderly German couple and their fat, seasick bulldog; and a boisterous band of Cuban medical students. As the Vera journeys across the Atlantic, the incidents and intrigues of several dozen passengers and crew members come into razor-sharp focus. The result is a richly drawn portrait of the human condition in all its complexity and a mesmerizing snapshot of a world drifting toward disaster. Written over a span of twenty years and based on the diary Katherine Anne Porter kept during a similar ocean voyage, *Ship of Fools* was the bestselling novel of 1962 and the inspiration for an Academy Award-winning film starring Vivien Leigh. It is a masterpiece of American literature as captivating today as when it was first published more than a half century ago.

This ebook features an illustrated biography of Katherine Anne Porter, including rare photos from the University of Maryland Libraries. Sokolov's "School for Fools" is a network of memories of a schizophrenic raised on Russian and Western cultural traditions. This child/man becomes a prophet, causing individuals to question their identity and their place. Describes a tsunami which struck Hawaii on April 1st, 1946 and provides additional facts about the causes of tsunamis and the difficulties scientists encounter in developing an early warning system. Warning: Personalities for Sale. All the World's a role. In a world of brainsuckers and bodysnatchers, you can't take anything for granted. Not even your own identity. When Marva, a struggling Method actress, wakes up in a hologram pool in an exclusive priv club with fancy new clothes and plenty of money, she knows something is strange. When a memory of a murder starts tugging at her,

she knows something is very strange, and that she'd better find out whose life she's living. Fast. Pursued by assassins from a mysterious Escort Service and renegade mind-pirates of every description, Marva must venture into the seamy Downs to find out who wrote the script of the most difficult role of her career. Winner of the Arthur C. Clarke Award for best novel, 1995
