Pattern Recognition Oct 06 2021 Pattern Recognition - a pulsating techno-thriller by William Gibson, bestselling author of Neuromancer Cayce Pollard has been flown to London. She's a 'coolhunter' - her services for hire to global corporations desperate for certainty in a capricious and uncertain world. Now she's been offered a special project: track down the makers of the addictive online film that's lighting up the 'net. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese computer crazies and Russian Mafia men. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . William Gibson is a prophet and a satirist, a black comedian and an outstanding architect of cool. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks will love this book. Pattern Recognition is the first novel in the Blue Ant trilogy - read Spook Country and Zero History for more. 'A big novel, full of bold ideas . . . races along like an expert thriller' GQ 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' USA Today 'A compelling, humane story with a sympathetic heroine searching for meaning and consolation in a post-everything world' Daily Telegraph Idoru is a gripping techno-thriller by William Gibson, bestselling author of Neuromancer 'Fast, witty and cleverly politicized' Guardian

Wrestliana Jan 17 2020 Toby Litt's father wanted him to find about their ancestor: William Litt, a champion Cumberland Wrestler. William was one of the greatest ever 'kings of the green' - a man who reigned undefeated in one of the nineteenth century's most popular sports, taking home over 200 prize belts. William had other talents, as well. He was almost certainly a smuggler - and definitely published poet and novelist. But Toby knew that coming to terms with him would be hard. A huge and fascinating man, William was also troubling. He ended his life in poverty and exile. And as well as having to measure himself up against this apparent paragon of masculinity, Toby would have to uncover uncomfortable memories and hard truths. Would Toby like what he found out about himself along the way? As a novelist, as a son, and as a father in turn? Would he have to get in the wrestling ring? ... Would he even want to? Using the nineteenth century as a guide, *Wrestliana* asks vital questions about modern-day masculinity, competition, and success. It is a beautiful portrait of two men and their different worlds, full of surprises and sympathy, and a wonderful evocation of a lost place and time.

Corpsing Oct 18 2022 Everything Toby Litt touches turns to gold.

The Coward Nov 26 2020 A BBC TWO BETWEEN THE COVERS BOOK CLUB PICK After a car accident Jarred discovers he'll never walk again. Confined to a 'giant roller-skate', he finds himself with neither money nor job, a shoplifting habit, an addiction to painkillers and strangers treating him like he's an idiot. Worse still, he's forced to live back home with his estranged father. Trying to piece himself together, Jarred comes to realise that things don't have to stay broken after all. *The Coward* is about hurt and forgiveness, how the world treats disabled people, and how we write and rewrite the stories we tell ourselves about our lives - and try to find a happy ending.

Hospital : a dream-vision Apr 12 2022

Agua Viva Dec 28 2020 Discusses life, time, beauty, experience, meaning, music, and art.

The Countenance Divine Mar 31 2021 'Michael Hughes writes like a brilliant cross between David Mitchell and Hilary Mantel' Toby Litt In 1999 a programmer is trying to fix the millennium bug, but can't shake the sense he's been chosen for something. In 1888 five women are brutally murdered in the East End by a troubled young man in thrall to a mysterious master. In 1777 an apprentice engraver called William Blake has a defining spiritual experience; thirteen years later this vision returns. And in 1666 poet and revolutionary John Milton completes the epic for which he will be remembered centuries later. But where does the feeling come from that the world is about to end?

King Death Dec 20 2022 Kumiko saw it first. A heart - a human heart - slithering down outside the window of a train travelling between London Bridge and Blackfriars. Someone must have thrown it out from a carriage in front. Kumiko is determined to find out who - and why. But Skelton was sitting next to Kumiko on the train and he saw it too, so he also wants to get to the bottom of the mystery. Or he says he does, but really he just wants Kumiko back, because she's walked out on him, just like that, and left him heartbroken. Each for their own reasons, Kumiko and Skelton set out - separately - on a bizarre trail of discovery. Darting between dingy student pubs, the roofs of Borough Market and the corridors and car-parks of Guy's Hospital, they become embroiled in the seedy world of young medical students, until eventually the gossip and the stories lead them both to the hospital's infamous dissection lecturer - known behind his back as 'King Death' ...

Mutants Mar 11 2022 Toby Litt is best known for his "hip-lit" fiction, which, in its sharing of characters and themes across numerous stories and novels, has always taken an unusual, hybrid form. In *Mutants*, he applies his restless creativity to nonfiction. The book brings together twenty-six essays on a range of diverse topics, including writers and writing, and the technological world that informs and underpins it. Each essay is marked by Litt's distinct voice, heedless of formal conventions and driven by a curiosity and a determination to give even the shortest piece enough conceptual heft to make it come alive. Taken as a whole, these pieces unexpectedly cohere into a manifesto of sorts, for a weirder, wilder, more willful fiction. Praise for Toby Litt "A genuinely individual talent with a positive relish for dealing with the contemporary aspects of the modern world."--Scotsman "Toby Litt is awfully good--he gives something new every time he writes."--Muriel Spark "He has invented a fresh, contemporary style--it will sing in the ears of this generation."--Malcolm Bradbury

The Book of Other People Nov 07 2021 *The Book of Other People* is just that: a book of other people. Open its covers and you'll make a whole host of new acquaintances. Nick Hornby and Posy Simmonds present the ever-diverging writing life of Jamie Johnson; Hari Kunzru twitches open his net curtains to reveal the irrepressible Magda Mandela (at 4:30a.m., in her lime-green thong); Jonathan Safran Foer's Grandmother offers cookies to sweeten the tale of her heart scan; and Dave Eggers, George Saunders, David Mitchell, Colm Tóibín, A.M. Homes, Chris Ware and many more each have someone to introduce to you, too. With an introduction by Zadie Smith and brand-new stories from over twenty of the best writers of their generation from both sides of the Atlantic, *The Book of Other People* is as dazzling and inventive as its authors, and as vivid and wide-ranging as its characters.

Finding Myself Nov 14 2019 Let loose in a hothouse of subterfuge and well-kept secrets, the reader is invited to step through a maze of unreliable narration, misjudged expectations and duplicitous accomplices to arrive, after many twists and turns, at what is going on at Victoria About's Suffolk literary hideaway.

Beatniks May 13 2022 1995, and at a party in Bedford, Mary meets Jack and Neal, a pair of hipsters and self - confessed 'Beats' stuck (un)squarely in the sixties. After a 'Beat (not - quite) Happening' at the local library, the three of them (and Neal's cat Koko) set off in Mary's Vauxhall on a road trip to Brighton in search of literary fame and fortune. But, this is neither the time nor the place for free love, uncomplicated sex and unrestrained cool - this is 1990s Britain and everything comes with a price . . .

Squirrel Seeks Chipmunk Aug 24 2020 Featuring David Sedaris's unique blend of hilarity and heart, this new collection of keen-eyed animal-themed tales is an utter delight. Though the characters may not be human, the situations in these stories bear an uncanny resemblance to the insanity of everyday life. In "The Toad, the Turtle, and the Duck," three strangers commiserate about animal bureaucracy while waiting in a complaint line. In "Hello Kitty," a cynical feline struggles to sit through his prison-mandated AA meetings. In "The Squirrel and the Chipmunk," a pair of star-crossed lovers is separated by

prejudiced family members. With original illustrations by Ian Falconer, author of the bestselling Olivia series of children's books, these stories are David Sedaris at his most observant, poignant, and surprising.

Astral Bodies Oct 26 2020 The characters in the collection mirror today's fast paced restless energy. They're not content to be written in by anybody else but themselves and are all striving to recreate their world, through performance, or an expansion of what they are.

We-narratives Feb 16 2020 Provides a comprehensive account of the structural and linguistic distinctiveness of stories told in the first-person plural, describing its features and rhetorical effects.

Notes of a Son and Brother Aug 04 2021 "Notes of a Son and Brother" is the autobiography of American born British author, Henry James. James is a recipient of the Order of Merit and is considered by many to be among the greatest novelists in the English language. Though born in New York, his family moved frequently throughout Europe as his father Henry James Sr. pursued a publishing career. He begins with their stay in the French-Swiss border, where his parents had moved for his and his sibling's schooling. James observes that, "I puzzle it out to-day that my parents had simply said to themselves, in serious concern, that I read too many novels, or at least read them too attentively..."

The Novel Now Jan 29 2021 The Novel Now is an intelligent and engaging survey of contemporary British fiction. Discusses familiar names such as Martin Amis, Ian McEwan, Salman Rushdie, and Angela Carter and compares them with more recent authors, including David Mitchell, Ali Smith, A.L.

Kennedy, Matt Thorne, Nicola Barker, and Toby Litt Incorporates original coverage of subgenres such as chick lit, lad lit, gay fiction, crime fiction, and the historical novel Discusses the ways in which notions of regional identity and tribalist views have surfaced in UK and Irish fiction, and how post-Imperial sensibility has become a feature of the 'British' novel Situates contemporary fiction within its socio-cultural and literary contexts.

Ghost Story Dec 16 2019 When Agatha and Paddy decide to leave London and buy a house on the coast, they are full of hope for themselves and their growing family • baby Max and a new child on the way. Three months later, when the builders move out and they move in, things look very different. A personal tragedy threatens to destroy all they have carefully built up and only a small miracle, it seems, will save them. . . Ghost Story is a book both haunted and haunting, which asks how we can ever mourn something that hasn't lived. Emotionally resonant, beautifully crafted and ultimately redemptive, it will take you to the heart of suffering and desire.

Cold New Climate Mar 19 2020

Adventures in Capitalism Nov 19 2022 This book takes the reader to the epicentre of the consumer world. There are adventures with money, with food, with consumer desirables, with sex. Gap polo necks, Ben & Jerry's, Nintendos, Fiat Puntos and other brand names are featured.

Journey Into Space Sep 17 2022 Humankind has taken a fateful journey into space . . . A vast generation ship hurtles away from a violent, troubled Earth to settle a distant planet orbiting an alien star. Those who set out on this journey are long-since dead. Those who will arrive at their destination have yet to be born. For those who must live and die in the cold emptiness between the stars, there is only the claustrophobic permanence of non-being. Life lived in unending stasis. Then the unthinkable happens: two souls €" August and Celeste €" rebel. And from the fruit of their rebellion comes a new and powerful force which will take charge of the ship's destiny. Journey into Space is science fiction at its most classic and beguiling: timeless, vast in scope and daring in execution. €"One of the most inventive and original writers around" Sunday Mirror €"Litt is equally adept at building tension and coming up with a haunting phrase. Perhaps most impressive of all, though, is the richness of his imagination. He doesn't quail at taking big risks and possesses the talent to bring them off" Daily Telegraph

Dead Souls Jun 14 2022 For readers of Roberto Bolaño's *Savage Detectives* and Muriel Spark's *Loitering with Intent*, this "sublime" and "delightfully unhinged" metaphysical mystery disguised as a picaresque romp follows one poet's spectacular fall from grace to ask a vital question: Is everyone a plagiarist? (Nicolette Polek, author of *Imaginary Museums*). A scandal has shaken the literary world. As the unnamed narrator of *Dead Souls* discovers at a cultural festival in central London, the offender is Solomon Wiese, a poet accused of plagiarism. Later that same evening, at a bar near Waterloo Bridge, our narrator encounters the poet in person, and listens to the story of Wiese's rise and fall, a story that takes the entire night--and the remainder of the novel--to tell. Wiese reveals his unconventional views on poetry, childhood encounters with "nothingness," a conspiracy involving the manipulation of documents in the public domain, an identity crisis, a retreat to the country, a meeting with an ex-serviceman with an unexpected offer, the death of an old poet, a love affair with a woman carrying a signpost, an entanglement with a secretive poetry cult, and plans for a triumphant return to the capital, through the theft of poems, illegal war profits, and faked social media accounts--plans in which our narrator discovers he is obscurely implicated. *Dead Souls* is a metaphysical mystery brilliantly encased in a picaresque romp, a novel that asks a vital question for anyone who makes or engages with art: Is everyone a plagiarist?

I Play the Drums in a Band Called Okay Aug 16 2022 Okay are a Canadian indie/rock band who sound a little like the Velvet Underground on quarter-speed. This is their story. Narrated by the drummer, Clap, it follows twenty years of life on and off the road with the band: the gigs and groupies, the tunes and tours, the fall outs and fuck ups, the overdoses and the sweet, sweet soul-damage of it all. For anyone who's ever wondered what it's like to be in a rock band, *I Play the Drums in a Band Called Okay* is a dream of a book that delivers everything it promises - but it's more than that too, and behind the glitz of celebrity shimmers a mature and nuanced novel about pains and joys as fundamental as those of loving and losing, growing up and moving on . . .

Patience Jan 21 2023 Elliott is something of a genius. More than that, Elliott is an ideal friend, and to know him is to adore him. But few people do know Elliott, because he is also stuck. He lives in a wheelchair in an orphanage. It's 1979. Elliott is forced to spend his days in an empty corridor, either gazing out of the window at the birds in a tree or staring into a white wall wherever the Catholic Sisters who run the ward have decided to park him. So when Jim, blind and mute but also headstrong, arrives on the ward and begins to defy the Sisters' restrictive rules, Elliott finally sees a chance for escape.

Albert Angelo Jul 03 2021 Albert Angelo is by vocation an architect and only by economic necessity working as a substitute teacher. He had thought he was, if not dedicated, at least competent. But now, on temporary assignments in schools located in the tough neighborhoods of London, Albert feels ineffectual. He is failing as a teacher and failing to fulfill himself as an architect. And then, too, he is pained by the memory of a failed love affair.

Notes for a Young Gentleman Jul 15 2022 Toby Litt is one of that rare breed of fiction writers who never writes the same book twice: every time out, he takes an unexpected new tack--and his readers happily follow. Told in the form of the pithy, even lyrical advice a young soldier leaves behind after a mission gone wrong, *Notes for a Young Gentleman* is no exception. Its brilliantly creative form, and the epigrammatic genius Litt displays in its creation, nonetheless can't hide the powerful, emotional story at its heart: of a young soldier parachuting toward a beautiful, moonlit country house on a mission . . . of betrayal. The house? Marlborough. The target? Winston Churchill, an old friend of his father. A brilliant, at times dizzying but always heartfelt exploration of love, revenge, and the essence of a gentleman, *Notes for a Young Gentleman* is classic Toby Litt: wholly new and wholly unforgettable.

The Man Who Walks May 21 2020 After the scandalous theft of a pub's World Cup cash kitty, a homeless drifter pursues his eccentric uncle: 'The Man Who Walks', up into the Highlands to recover the money - a cool -27,000. The nephew's frantic, stalled progress and other bizarre diversions form this wickedly hilarious novel. But who is The Man Who Walks? Is he simply a water-carrying madman with one glass eye and a fondness for whisky and pony nuts, and who has a physiological inability to handle slopes? Or is he a savant, touched by the hand of God, wandering the back roads along ancient, ancestral tracks? And as the sinister, unstable nephew gains on The Man Who Walks, can it be that it will all end in a field and that this field is Culloden Moor?

The Dead Boy Detectives Oct 14 2019 Rowland and Paine, the dead British teenagers who first appeared in Neil Gaiman's *The Sandman: Season of Mists*, travel stateside to investigate a strange missing persons case at a posh International Academy for Girls.

Deadkidsongs Feb 22 2023 With the death of one of the Gang (as they call themselves), the war games escalate, directed now against the adults they hold responsible for the loss of one of their soldiers.

I'm With the Bears Feb 10 2022 A collection of "striking" short stories on the dangers of climate change—featuring works by Margaret Atwood, T.C. Boyle, Kim Stanley Robinson, and more (*The Boston Globe*) The size and severity of the global climate crisis is such that even the most committed environmentalists are liable to live in a state of denial. The award-winning writers collected here have made it their task to shake off this nagging disbelief, bringing the incomprehensible within our grasp and shaping an emotional response to the deterioration of our global habitat. From T. C. Boyle's account of

early eco-activists, to Nathaniel Rich's vision of a near future where oil sells for \$800 a barrel—these ten provocative, occasionally chilling, sometimes satirical stories bring a human reality to disasters of inhuman proportions. Royalties from *I'm With the Bears* will go to 350.org, an international grassroots movement working to reduce the amount of carbon dioxide in the atmosphere.

Sound Sep 24 2020 Returning to a New Jersey shore that differs from the home he remembers, graduate school dropout Cincy immerses himself in music and takes a boatyard management job while obsessing about a woman named Vera.

Being Dad Apr 19 2020 Fatherhood is in a state of flux. Gone are the simplistic gender roles of yesteryear, the clear divisions between mothers and fathers. More dads than ever before are staying home to be full-time parents to their children; those that work often find themselves part of a working partnership, their kids spending as much time with childminders and nannies as they do with their parents. As society changes its expectations, the question must be asked: what does it mean to be a father? In *Being Dad*, sixteen contemporary writers - all fathers themselves - explore the highs and lows of fatherhood through fifteen new short stories. From protective instincts gone awry to the ghosts of our fathers haunting every parenting decision, these stories shine a light on what it means to be a father in the twenty-first century. Featuring new stories by: Toby Litt, Nikesh Shukla, Dan Rhodes, Courtia Newland, Nicholas Royle, Dan Powell, Rodge Glass, R.J. Price, Tim Sykes, Lander Hawes, Andrew McDonnell, Iain Robinson, Richard W. Strachan, Richard V. Hirst and Samuel Wright.

Dead Boy Detectives Jun 02 2021 Perched somewhere between the now and nevermore the DEAD BOY DETECTIVES will take on any and all mysteries including their own untimely deaths!

Lemistry May 01 2021 We know Stanislaw Lem, whether or not we consciously know that we do. He may only be recognised in the West as the author of the twice-filmed novel, *Solaris*, but the influence of his other work is legion. From computer games (*The Sims* was inspired by one of his short stories), to films (the red and blue pills of *The Matrix* owe much to his *Futurological Congress*); from the space comedies of *Red Dwarf* to the metaphysical satires of Douglas Adams... the presence of this masterly Polish writer can be traced far and wide. Nor was his genius confined to fiction. Lem's essays and pseudo-essays borne out of the military industrial tensions of the Cold War have outlived their original context and speak to the most current developments in virtual reality, nanotechnology, and artificial intelligence. To celebrate his name, as well as his vision, this anthology brings together writers, critics and scientists who continue to grapple with his concerns. British and Polish novelists join screenwriters, poets, computer engineers, and artists, to celebrate and explore Lem's legacy through short stories and essays - two literary forms that, as Lem knew well, can blend together to create something altogether new. As one of the barriers to Lem's fame was language, this book also features specially commissioned translations: three stories never to have appeared in English before. Lem was always ahead of us. It's time we caught up.

Life-like Jan 09 2022 Stories set in India, Sweden, Australia, and Iran.

Kingdom Come: A Novel Jul 23 2020 "J.G. Ballard is the undisputed laureate of suburban psychosis. . . . A brilliant novel."—Literary Review A violent novel filled with insidious twists, *Kingdom Come* follows the exploits of Richard Pearson, a rebellious, unemployed advertising executive, whose father is gunned down by a deranged mental patient in a vast shopping mall outside Heathrow Airport. When the prime suspect is released without charge, Richard's suspicions are aroused. Investigating the mystery, Richard uncovers at the Metro-Centre mall a neo-fascist world whose charismatic spokesperson is whipping up the masses into a state of unsustainable frenzy. Riots frequently terrorize the complex, immigrant communities are attacked by hooligans, and sports events mushroom into jingoistic political rallies. In this gripping, dystopian tour de force, J.G. Ballard holds up a mirror to suburban mind rot, revealing the darker forces at work beneath the gloss of consumerism and flag-waving patriotism.

Muscle Dec 08 2021 **LONGLISTED FOR THE EDINBURGH FESTIVAL FIRST BOOK AWARD** In a hard-boiled city of crooks, grifts and rackets lurk a pair of toughs: Box and _____. They're the kind of men capable of extracting apologies and reparations, of teaching you a chilling lesson. They seldom think twice, and ask very few questions. Until one night over the poker table, they encounter a pulp writer with wild ideas and an unscrupulous private detective, leading them into what is either a classic mystery, a senseless maze of corpses, or an inextricable fever dream . . . Drunk on cinematic and literary influence, *Muscle* is a slice of noir fiction in collapse, a ceaselessly imaginative story of violence, boredom and madness.
