[Personal Injury Awards in EU and EFTA Countries](#) Jan 21 2023 Following two previous

reports relating to ""Personal Injury Awards in EU and EFTA Countries"" this text undertakes further research into the subject. The report provides a guide to an understanding of the personal injury awards system in both the European Union (EU) and European Free Trading Area (EFTA), and looks at the changes that have taken place since 1991. The research compares the levels of compensation awarded to individuals within the member states and sets out recommendations for future procedures.; Schedules, tables, graphs and commentary in the report demonstrate findings of each.

[Practical Guide to State Benefits and Personal Injury](#) Jul 15 2022 "This book provides practical guidance on accidents, illness, disability and industrial disease, and the available forms of financial support. It considers the immediate financial needs of those who have suffered an accident, disease, illness, disability pending a claim for compensation and damages for personal injury and where any compensation should come from, i.e. employers, pension, private insurance, or from a trade union. This is a complex area and understanding how it works is essential for everyone involved in PI litigation or advising PI victims. This book provides information on the new and sweeping changes to many disability benefits, unravels the

complexities of calculations of, deductions from, and implications of any awards that are made and gives comprehensive coverage of all key areas of the financial side of financial side of injury cases from liability issues to deductions from awards."
