As heir to the throne of Astos, he’s one of the most sought-after bachelors in the world. When his sister gets engaged and electrifies the public with news of a royal wedding, all eyes are on Prince Clive. Will the perennial bachelor bring a date? And if yes...who? Gorgeous escort Tarryn gets the opportunity of a lifetime: accompany the handsome, reclusive prince to the royal wedding. The money for the assignment is insane—and everything she needs to turn her family’s life around. But Tarryn has a troubled past, one that just might catch up to her when the press splashes her image all over the internet. Tarryn and the prince are from two different worlds. They could never be together. But their arrangement turns into a scorching, unstoppable attraction. Can true love really conquer all? Find out in this romantic, fast-paced, standalone, contemporary, royal romance from USA Today Bestselling Author Leigh James! Author's Note: Tarryn is a domestic abuse survivor. What she's gone through may be difficult for some readers. When his 12-year-old nephew Seth is dropped off on his doorstep, rancher Josh King, who knows how to run a multi-million dollar business, but knows nothing about adolescent boys, hires former classmate and teacher Cara Donovan to tutor Seth and learns a valuable lesson in love. Original. Must she pay for the sins of her mother? Miss Charlotte Danvers has just received a life-altering shock. After spending most of her life in France in an elite school for girls, first as a student, and then as a teacher, she decides to return to London and take up residence with her mother. When she arrives at her mother’s townhouse in London, she is stunned to discover that the woman who raised her is the well-known courtesan, Mrs. Danforth. After an angry and tearful confrontation with her mother, Charlotte leaves London and makes her home in Bath. All goes well until she meets Mr. Carter Westbrooke, close friend and business partner of Charlotte’s best friend’s husband, Lord Berkshire. After only a few weeks, Mr. Westbrooke declares his intentions to Charlotte to make her his wife. She can be no one’s wife but cannot bring herself to tell him why. Must she run again? ***** The Merry Misfits of Bath is a brand-new Regency romance series from USA Today bestselling author Callie Hutton. Each standalone story features a heroine who doesn't quite fit in but who finally finds her happy ever after with a hero who sees her through the eyes of love. "Applies the biomimetic principle to bonded restorations using composite resins and ceramics, describing the broad spectrum of indications and detailing the treatment planning, diagnostic approach, step-by-step treatment, and maintenance for each"-- "Negotiation: Science and Practice" is a university-level textbook and lecture series designed to teach effective skills and techniques in negotiation. It provides scientifically tested tools that allow anyone to construct and implement the best possible negotiation strategies, in any negotiation scenario. From this pack, students, like yourself, learn the art, science and practice of influence, as well as how to construct optimal agreements, whether you are negotiating a settlement in a legal dispute, a contract to sell a business, a ceasefire in a conflict zone, the sale of your own home, a price rise of the goods or services your company provides, a wage dispute with a powerful union or even an amendment to legislation. The lectures in this textbook are as follows: Lecture 1: Negotiation dynamics (available in full, for free, in the “sample”) Lecture 2: Preparation for negotiation Lecture 3: Evaluation techniques Lecture 4: Influence Lecture 5: Cognitive biases, heuristics, errors and effects Lecture 6: Group dynamics Lecture 7: Logic and creativity Lecture 8: Parachutes, problems and tricks Lecture 9: Culture, human nature and individual difference Lecture 10: Enforcement mechanisms Lecture 11: Ethics, lying, the law and why good people do bad things Lecture 12: Alternative dispute resolution Lecture 13: Conflict This book contains: - A comprehensive lecture series (outlined above) - Week-by-week multiple choice questions (100+ pages) - Detailed answers and explanations to all week-by-week questions (50+ pages) - A mid-semester exam - A comprehensive reference glossary (200 pages) - Full academic abstracts to complement critical references (aiding a more detailed understanding and facilitating further exploration of the science behind each technique) - The most comprehensive examination of the psychology of negotiation available, with clear examples of how it can be used to achieve desired outcomes - The most comprehensive description of common “dirty tricks” in negotiation and how to respond to them - Detailed explanations of the law and how it affects you as a negotiator; including important case

summaries - Step-by-step explanations of how to calculate the 'need-to-know' numbers in all negotiations Draping is a technique that involves working with fabric directly on the mannequin. This publication is a practical step by step guide for students and fashion professionals who want to delve deeper into this technique used by big industry names. In this process, creative freedom plays a more important and less rigid role than patterns and drawings on paper do. Palladian Design: the Good, the Bad and the Unexpected provides classic catalogue entries which will expand on individual objects as well as bring new opinions and critical thinking to the subject matter through commissioned essays from a range of disciplines and perspectives Written by the Mercedarian friar Martín de Murúa, the Historia general del Piru (1616) is one of only three extant illustrated manuscripts on the history of Inca and early colonial Peru. This immensely important Andean manuscript is here made available in facsimile, its beautifully calligraphed text reproduced in halftone and its thirty-eight hand-colored images—mostly portraits of Inca kings and queens—in color. The little notebook in a handy 6x9 format (about A5) with a beautiful glossy cover, designed for fitness freaks, sports enthusiasts and anyone who likes to move and do something for your health. The notebook contains 110 lined pages to record all notes, appointments, birthdays and other important dates in writing. It also offers enough space for sketches and drawings. Meet the middle Bianco Brother, Cristian, in this sexy boss's daughter romcom standalone. Vanessa was clear to her friends at the First Responders Charity Bachelor Auction. Don't bid on blue. Being the Commander's daughter, she's heard enough about serving and protecting. That's why she doesn't quite understand when her best friend bids on not only a police officer for her but a cop under her dad's district. Of course, it has to be the most straight arrowed of them all—and Vanessa is far from a law-abiding citizen. FULL BLURB and COVER COMING SOON! Reveals the cutting edge of New Science and shows how established science disallows inquiry that challenges the status quo—even when it produces verifiable results • Contains 43 essays by 19 researchers denoting cutting-edge, heretical, or suppressed scientific research, including Immanuel Velikovsky, Nikola Tesla, Rupert Sheldrake, and Masaru Emoto • Edited by Atlantis Rising publisher, J. Douglas Kenyon Following the model of his bestselling Forbidden History and Forbidden Religion, J. Douglas Kenyon has assembled from his bimonthly journal, Atlantis Rising, material that explores science and technology that has been suppressed by the orthodox scientific community—from the true function of the Great Pyramid and the megaliths at Nabta Playa to Immanuel Velikovsky's astronomical insights, free energy from space, cold fusion, and Rupert Sheldrake's research into telepathy and ESP. There is an organized war going on in science between materialistic theory and anything that could be termed spiritual or metaphysical. For example, Masaru Emoto's research into the energetics of water, although supported by photographic evidence, has been scoffed at by mainstream science because he has asserted that humans affect their surroundings with their thoughts. The materialism or absolute skepticism of the scientific establishment is detrimental to any scientific inquiry that thinks outside the box. This mentality is interested in preserving funding for its own projects, those that will not rock the establishment. From Tesla's discovery of alternating current to Robert Schoch's re-dating of the Sphinx, this book serves as a compelling introduction to the true history of alternative and New Science research. "MOSTACHO (Moustache): The beard of the upper lip." --Sebastián de Covarrubias Longlisted for the PEN Poetry in Translation Award This iPad interactive book is an indispensable tool for pilots seeking the Airbus A320 type rating. This study guide offers an in-depth systems knowledge with pictures, videos and schematics not found in other publications. It is packed with detailed and useful information to prepare any candidate for command and responsibility of the A320 equipped with IAE or CFM engines. Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the

tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard—maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind.

The term "judoka" refers to one who does judo, the modern martial art with origins in 19th century Japan, a fighting art with a particular emphasis on the use of an opponent's own strengths to effect his defeat. This book is an account of the adventures of such a man, a judoka, but it is not just about this man, or the martial art he practices. Rather, it is about the "way" of judo, as both a fighting art and an approach to living ("a way"), and what this way might be able to tell us about who we are and who we might choose to become. The book does not prescribe "a way" for others to follow; that is, it does not simply offer advice about what to believe or how to behave, or point out the faults in other ways of being. It simply describes the way of one particular man, with commentary explaining, or rather reasoning through, the choices he has made, with the story presenting the consequences that these choices have for him.

Reviews for the 1st edition: "This extraordinary little novella is reminiscent of Castaneda but far more intelligible." -Alan Watts "His direct writing

about judo is clear and quietly restrained, hard to match in the literature of the subject." -New York Times Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

Louis Hellman's unique method of describing the work of an architect by drawing their head in the style of their building is known the world over. The drawings have been an enormous success, and have been converted into postcards, posters, and calendars, yet this is the first time they will be displayed in a book. The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... Each book in the After Hours series is STANDALONE: * One Night of Sin (novella) * One Night of Scandal * One Night of Trouble They say hate is a strong word, but Eileen Parker is certainly no stranger to it. Parker hates her first name, hates her apartment, hates her life. Which, sure, sounds a bit cynical, but after the life that she's led so far, you really can't blame her. With her sophomore year of college overshadowed by circumstances that she never expected, Parker just wants to keep her head down, pass her classes, and take care of the responsibilities that are threatening to destroy her. And then she meets Ash. Ashton Carter is working to fix the messes that he's made, but he's still struggling with dark memories of a night that changed his life. He's definitely not looking for someone to spend forever with, but when he meets Parker, his life changes once again. It doesn't bother him that Parker adamantly refuses to admit to the chemistry between them, or that she's determined to keep him at arms length. Ash is convinced that Parker is everything he never knew he needed, and he's not about to let her slip away. Fighting against overwhelming insecurities and secrets that feel too big to share, the two must make a choice. They can keep running from their pasts, or they can confront them and face their future together. ***This is the first book in a series of standalone novels. Due to adult language/situations and mild drug use, this book is recommended for readers 18+. She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life, and who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron

Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him.
