Thirty-two lively topics to stimulate classroom discussion for advanced ESL students
 *What elements make a speaking activity successful? *Which tasks or activities really help build speaking fluency? *What does the research show regarding speaking activities? *What mistakes do ESL teachers often make in speaking activity design?
 In this highly accessible and practical resource, Keith S. Folse provides a wealth of information to help ESL/EFL teachers design and use speaking tasks that will actually improve students' speaking fluency. The book presents and discusses the relevant research and assessment issues and includes case studies from twenty different settings and classrooms around the world so that readers learn from others about the problems and successes of using various speaking activities. Teachers will find the chapters on Twenty Successful Activities and Ten Unsuccessful Activities particularly valuable. The successful activities are provided for classroom use and are reproducible. The book also contains five appendixes that explain what teachers need to know about vocabulary, pronunciation, and grammar and how they affect the teaching of speaking. Samples of successful lesson plans and a list of resources useful for teaching speaking are also included. Keith S. Folse, Ph.D., is Coordinator, TESOL Programs, University of Central Florida (Orlando). He is the author of Vocabulary Myths (University of Michigan Press, 2004) and more than 35 second language textbooks, including texts on grammar, reading, speaking, listening, and writing. Discovery English: Speaking and Listening for Advanced English Language Learners is a complete course in academic speaking and listening for advanced ESL students. This text mimics introductory level college courses and prepares students for future academic careers. Features of Discovery English include: college lectures so students can practice taking notes in a variety of formats. essays on a wide variety of subjects to engage student interest and create opportunities for textbook reading comprehension. extensive glossary of key academic vocabulary. stimulating discussion questions. New To The 3rd Edition: Every book includes a code which grants online access to additional materials, including: full PowerPoint presentations include all the material from the book. video recordings of college lectures. extensive audio recordings so students can practice listening and

pronunciation skills. prepared quizzes and tests, as well as a bank of test questions, which can be used by students to prepare for quizzes or by teachers to create tailored exams. Targeting Listening and Speaking provides short and focused activities to help lower-proficiency ESL/EFL students improve their listening and speaking skills. It includes practice in both mastering the larger message and key words/phrases and specific words and sounds to assist students in developing better speaking and comprehension skills. Each unit has a general theme -- such as food, animals and pets, free time and hobbies, and travel -- around which all exercises are designed. The final unit consists of four listening tests that can be used to monitor progress. Each unit includes: dictation practice using dialogues listening skill development speaking practice listening to simple conversations sound practice with minimal pairs listening to simple lectures more speaking and discussion practice. Quizzes are available on the companion website. The audio material is available either on CD or cassette (there are 4 components for each). About this ESL conversation book for adults: ESL speaking activities for busy teachers Make your TEFL lesson planning easier "ESL Speaking Activities: The Ultimate Book for Busy English Teachers. Intermediate to Advanced Conversation Book for Adults" is jam-packed full of speaking cards, worksheets and conversation cards to whip out whenever you want and make your TEFL lesson plans instantly easier. It includes 100+ instant games & activities for Teaching English as a Second or Foreign Language Online & Offline. Speaking is often the most intimidating part of English for many students, and it can be daunting as a teacher, when your students won't speak in class out of shyness or reluctance. This conversation book for adults will give you the tools needed to get students speaking, which will make your classes both more enjoyable and more productive! In the Phrasal Verbs section of this book, you'll find grammar and vocabulary hand-outs before each set of speaking questions. You can do some of these handouts in class, or you can set them as homework if you prefer. They are ideal for preparing students for exams such as the Cambridge Business English exams, and other Cambridge exams like First Certificate and Advanced CAE, as well as IELTS and TOEFL. All the worksheets and ESL conversation cards can be photocopied and used in the classroom and can be adapted to classroom games and warmers. Looking for an academically oriented oral presentation textbook for Intermediate or Advanced ESL/EFL students? This English Teacher's Guide to Compelling American Conversations provides teaching tips, feedback suggestions, extension suggestions, and supplemental exercises so you can help teach speaking skills in a relaxed, confident manner. How do you we get our intermediate English language learners to speak more in our classes? How can we help prepare American residents by choice (immigrants and refugees) develop the conversational skills to become future American citizens? These questions inspired Compelling American Conversations: Questions and Quotations for Intermediate American English Language Learners. Since 2012, the versatile speaking skills textbook has found its way into several English as a Second Language and English language development classrooms. Words can often have multiple meanings, and the term "intermediate English language learner" is no exception. Compelling American Conversations was written with this recognition to offer various ways of helping English students develop and deepen their conversation skills. Compelling American Conversations (CAC), an exceptionally flexible ESL textbook, makes adding speaking skills relatively easy in a wide range of classroom environments. This Teacher's Guide will help English teachers - and tutors - working in adult education programs, community colleges, Intensive English Programs, literacy centers, and international student offices. Compelling American Conversations helps English language learners feel more comfortable in English. It will also help your students become more fluent in English. This teacher's guide provides detailed suggestions on how to effectively teach each lesson, anticipate "good mistakes" from students, and provide feedback. It also includes several new activities for each chapters so you can extend the lessons, adapt to both stronger

and weaker students, and add explicit pronunciation and vocabulary training. We're particularly proud of the 25+ reproducible "search and share" worksheets in the appendix so English teachers and tutors can co-create timely materials for students. We have also deployed the Common European Framework of References (CEFR) for each lesson to clearly identify specific teaching objectives in each lesson. In addition to an activity by activity teaching tip for the entire 15 chapters, this teacher's guide includes many supplemental activities such as: Sound Practice - Accent reduction activities and minimal pair practice Grammar Connection - Activity that focuses on how words and sentences work in a conversation context of each thematic chapter. Steps to Success - A supplemental activity focused on English for Specific Purposes Phrasal Verbs - Another supplemental activity that develops student fluency. The Brave and the Bold - More sensitive questions that might spark lively, yet controversial, discussions. This section is more appropriate for college than high school classrooms. Fun with Famous Folks - Ways to do more with selected quotations for student presentations. Like many other experienced English teachers, we often browse through teaching guides for ESL & ELT textbooks. Therefore, this particular ELT Teacher's Guide has been written so the materials can be read - and perhaps enjoyed - both individually or consumed in a scaffold manner. We have shared our perspectives in a more candid, less diplomatic manner than many more traditional textbook authors and publishers. The result is an informative, street smart guide to teaching English and deploying Compelling American Conversations in your ESL/EFL classroom. The lessons that follow can be adapted to run from 30 to 90 minutes. They often start with about 5-10 minutes of free talking. This can cover how the students are, what they have been doing or plan to do, as well as contributions from the teacher. The structure of the lessons is modular, with clear and obvious steps to take. Everything starts with the teacher's preparation work. Depending on the students' ability, topics might need a quick worksheet or short classroom activity at the start of the lesson, and you will need to set aside time to devise this. The purpose of each lesson is for students to gain confidence and increase their vocabulary by talking about different topics. If they are unsure about what to do, this might mean introductory work is needed first. I have taught classes with anything up to twenty students using these materials. The lessons are easy to adapt depending on your classroom size and level. For example, with a large class you can encourage smaller groups to discuss topics together and then ask students to share their ideas with the whole class. Be aware of students' sensitivities. Some students may be a little nervous about expressing their opinions and emotions in front of the class. However, over time, they will come to realize that everyone else feels the same and their confidence will improve.

Business English Speaking: Advanced Masterclass - Speak Advanced ESL Business English with Confidence & Elegance: Business Meetings & Presentations in English. Includes 300+ PPT Presentation Templates. American & British Business English Advanced Speaking for ESL Students and Teachers. Please buy the print version to use as an efficient lesson book. Even experienced ESL teachers get stuck in a rut. It's time to find some fresh ideas for English conversation classes! Whether you're a first-time ESL/EFL/TEFL teacher, an experienced but overwhelmed instructor, or an instructor without a textbook, you need more activities for your conversation or speaking classes. If you're tired of wasting time wading through the junk on the Internet, then Jackie is here to help. During her decade of experience as a CELTA/DELTA certified teacher, author Jackie Bolen has developed countless TEFL conversation games and activities for her students. She's sharing her low-prep/no-prep ideas with ESL teachers throughout the world. In *49 ESL Conversation Games and Activities*, you'll get dozens of ideas to use in your own classroom. The highly-detailed descriptions will show you exactly how to use the activities during your lessons. Jackie's clearly and concisely explained activities will help you add instructional variety and put the focus back on your students. If you're extremely busy or you're simply out of new ideas, Jackie's book makes it easy to try out new and exciting ESL conversation activities your students will love! Buy the book to get new lesson plans ready to go in minutes!

Delivering A Successful Presentation as an ESL Imagine having command of the English language with enough confidence to stand before a group of people from work or school and talk with the authority you have in your field of expertise. When English is your second language, it really doesn't matter whether it's your first presentation or your fiftieth. Every time you step before an audience you may feel varying degrees of stage fright. It's only natural. What's not natural is to be so paralyzed by the fear when you actually refuse speaking engagements even if it jeopardizes your career. Did you know that nearly 75 percent of the North American population experiences stage fright at some point in their lives, whether it's standing up before a classroom to speak or giving a presentation to a group of thousands. Many of these people are native English speakers. If they get nervous and have second thoughts, it's only natural if English is your second language. But don't allow your stage fright to paralyze you and make you doubt your ability either to speak the language well or to be understood. As an individual with a professional career, you have vital information to share. Regardless of whether you're giving a talk to your colleagues and supervisors or an auditorium of several hundred, this book is invaluable to you. From the finer nuances of presentation to the small but vital adjusting of your spoken word to ensure your pronunciation and elocution is as polished as possible, you'll find tips, tricks, and techniques that have already worked miracles for thousands of other speakers. And now these same ideas and concepts can change your speeches from so-so to sizzling within a matter of weeks. Can This Book Improve My Overall Public Speaking Skill? Yes! It can! It's incredible when a few subtle changes are made in your practice of the language and combined with tightly held secrets of the professional what can be accomplished. DISCOVER: 5 major fears every speaker feels that are intensified when English is your second language and how to banish them. 7 easy ways to build a rapport with your audience - some of these don't even involve polishing your speaking abilities. 7 must-know tips to become the best speaker possible - especially when English is your second language. The meaning of signposting and how this simple technique can keep your audience and you on the right path in your speech. How to use what you believe are your biggest liabilities and transform them into your biggest assets. And much more! If you've ever dreamed of presenting the ultimate speech or just wishing you can turn your "fear factor" way low when you present, then you are the target reader for this book. If you keep doing what you've always been doing, you'll always get the same old results. Tackle your fears today and discover the difference these amazing

concepts can make when you implement them. Download this book today and start enjoying public speaking!" The lessons that follow can be adapted to run from 30 to 90 minutes. They often start with about 5-10 minutes of free talking. This can cover how the students are, what they have been doing or plan to do, as well as contributions from the teacher. The structure of the lessons is modular, with clear and obvious steps to take. Everything starts with the teacher's preparation work. Speaking is often the most intimidating part of English for many students, and it can be daunting as a teacher, when your students won't speak in class out of shyness or reluctance. **No Prep ESL Conversation Book for Adults: Instant ESL Conversation Lessons for Adults** will give you the tools needed to get students speaking, which will make your classes both more enjoyable and more productive! In the Phrasal Verbs section of this book, you'll find grammar and vocabulary hand-outs before each set of speaking questions. You can do some of these handouts in class, or you can set them as homework if you prefer. They are ideal for preparing students for exams such as the First Certificate, Advanced CAE, IELTS and TOEFL. All the worksheets and ESL conversation cards can be photocopied and used in the classroom and can be adapted to classroom games and warmers. This innovative ESL/EFL textbook helps advanced English language learners develop conversation skills and improve fluency by sharing experiences, reflecting on their lives, and discussing proverbs and quotations. The oral skills English textbook includes 45 thematic chapters, over 1,350 questions, 500 vocabulary words, 250 proverbs and American idioms, and 500 quotations. Designed for both adult education and intensive English language students, the conversations and activities deepen critical thinking skills and develop speaking skills essential to success in community college and university programs. **Compelling Conversations** has been used in classrooms in over 40 countries, recommended by English Teaching Professional magazine, adopted by conversation clubs and private English tutors, and enjoyed by thousands of English students. **Emotional Intelligence for ESL Classrooms** is my contribution to English language teaching. Rather than aiming at writing this book, the activities shaped themselves one day into the form of this book after completing my doctoral studies in Emotional Intelligence and Mindfulness at the University of Málaga. Emotions live within us all and can emerge in classrooms of any kind, filled with pupils of a wide age range. These activities are therefore not aimed at a specific type or level group of students, but served as an array of possibilities from where my fellow teachers can pick & take into their classrooms to complement their lessons. The intention behind emotional intelligence practices is to generate a positive, non-punitive climate in the English classroom which boosts the students' self-confidence. An emotionally intelligent classroom where game-based learning activities and challenges can well coexist with Mindfulness interventions, which may raise self awareness of the students' learning processes, and where they can actually feel that mistakes are good opportunities to learn. Far from being too embarrassed to speak English students in emotionally intelligent classrooms will become more participative and willing to interact with their classmates, not only in class but also during out-of-class extracurricular activities. May the reader indulge in the illustrations from Pixabay, which have been selected for each activity as intentional prompts for conversation. Images can always provide extra opportunities for Mindfulness and Emotional Intelligence interventions in the classroom that can evoke connectivity and enhance concentration by focusing on the small details and relating to experiential practices. Visuals can actually be ever lasting ice-breakers for detailed imaginative creative exercises connected with the senses. Here is a practical tool for teaching communication in the language classroom, suitable for use with students from elementary to advanced level. The book contains instructions for over 100 different participatory exercises. For each activity, notes are provided for organization, time, and preparation. A

comprehensive table of activities and an index also are included. Copyright © Libri GmbH. All rights reserved. This book is made for students of English as a Second or Foreign Language. Learning another language is never fast, but the Fifty Ways to Practice series will speed things up by showing you how to practice more efficiently and effectively both inside and outside the classroom. These books can be used by beginners and advanced students alike. You will learn 50 ways to practice and improve speaking and pronunciation skills. By applying these methods, you will speak more correctly and more fluently. You do not need to be living in an English-speaking country or be currently taking an English class to use this book. However, students who are already in a class can also use this book to improve their speaking more quickly and easily. Is your spoken English holding you back? What would it mean to your studies or career to be able to speak freely in English? The habits and study tips in 71 Ways to Practice English Speaking: Tips for ESL/EFL Learners are designed to improve your spoken English quickly and easily. First Discussion Starters includes conversation activities that teachers and students have loved in the best-selling Discussion Starters and More Discussion Starters, this time for lower-level ESL/EFL students. First Discussion Starters contains: *a variety of tasks and exercises based on real situations from all over the world serious discussion topics such as censorship, prison conditions, and cloning *topics that are lighter in nature such as lotteries, pets, and travel *activities that require students to work together in pairs or small groups to reach a conclusion about a topic *several kinds of oral fluency activities such as problem-solving tasks, court cases, "finish the story," "put the story together," and small group presentations *links to related websites for each unit The purpose of this project was to identify strategies for ESL students in community colleges to develop their public speaking skills. Effective oral communication skills are commonly needed by employees in the workplace at all different levels. The project focused on three key areas: 1) ways to reduce the fear and anxiety associated with public speaking; 2) the role of small groups in planning and presenting oral presentations; and 3) the use of feedback and self-help strategies to improve public speaking skills. The project presented a handbook of strategies in each of these areas for students to use as a resource in developing these skills. With increased self-confidence and strengthened public speaking skills, community college ESL students will be better prepared to succeed in their further education and as employees in the workforce. 'Help! I have a student who doesn't speak English! What do I do now?' For teachers in this situation, ESL Manual for Mainstream Teachers is just for you. Janice Yearwood experienced that herself and wishes to spare other teachers from making the mistakes she did. This book will provide a 'comfort blanket' for non-ESL-trained teachers, providing ESL information and practical guidelines on how to aid their students. It also furnishes cultural background to facilitate understanding of what your ELL (English Language Learner) is going through. You'll learn how to bring your other students on board to help your ELL and how to relate to the ELL's parents. For those working with ESL professionals, ESL Manual for Mainstream Teachers will help you to be on the 'same page' as the ESL teachers--a bridge between you and them. Even experienced ESL teachers get stuck in a rut. It's time to find some fresh ideas! Whether you're a first-time ESL/EFL/TEFL teacher, an experienced but overwhelmed instructor, or an instructor without a textbook, you need more activities for your conversion or speaking classes. Speak English for Success - ESL Conversations, Topics, and Dialogues is a book of reproducible activities designed for intermediate and advanced adult conversation classes to help students develop speaking skills through role-playing, discussion, pair work, or small group interaction. This collection of stimulating activities provides students with an opportunity to use English in social situations and to develop their critical thinking skills. Each activity encourages genuine communication, allowing students to voice their own opinions. The contemporary topics presented in this book are real and provocative, allowing students to exchange ideas about a wide range of themes and engage in lively dialogues about issues they face in their daily lives. Some of the topics and activities presented in this book are Tell Me about Yourself - Friends - Language Learning - Cultural Issues - Jobs and Employment - Dating and Relationships - Holidays - Traveling - Crime - Music - In Case of Emergency - Major World Issues - Pets - Movies and Entertainment - What Would You Say or Do? - Up Close and Personal - Newspapers Headlines - Board Games. With such a versatile range of exercises and topics for discussion, this book is a great tool for teachers, who want to reinforce language skills already taught, and for students, who must interact in English to complete problem-solving tasks, play language-oriented board games, comment on famous sayings, or finish dialogues. Students using this book will acquire better speaking skills as well as greater cultural awareness needed to function in the new society and communicate confidently in English.
