

# Where To Download Oncologic Nursing Springhouse Notes Pdf For Free

Lippincott's Review for Medical-surgical Nursing Certification Jan 17 2020 Lippincott's Review for Medical-Surgical Nursing Certification, Fifth Edition provides the information nurses need to achieve certification in the specialty of medical-surgical nursing. This helpful reference covers the broad range of content found on the actual examinations, including disorders by body system, such as coronary artery disease, COPD, and diabetes. The product reviews signs and symptoms, diagnostic tests, medical treatments, nursing assessments, and interventions for scores of health problems. Concise refreshers on wound care, perioperative nursing, collaborative practice, nursing research, and legal issues are also included. Review questions after each chapter and an end-of-book posttest help assess the nurse's preparedness for the exam. The book is appropriate for exams of both major certifying bodies: the ANCC and the AMSN.

**Patient Teaching Made Incredibly Easy** Apr 12 2022 This unique reference includes teaching guidelines for more than 100 disorders, memory joggers to strengthen recall, quick quizzes to measure knowledge, and an unforgettable, fun-filled approach to motivate learning. Contents include cardiovascular, respiratory, gastrointestinal, neurologic, skin, endocrine, immune and hematologic, urinary, musculo-skeletal, and reproductive conditions; cancer; and index.

Ethical and Legal Aspects of Nursing May 13 2022 Part of the acclaimed Springhouse Notes series, this newly expanded edition presents essential course material in an outline format to help you make better use of study time.
