Describes suggested activities to accompany the reading of Johnny Tremain. This book is all about stories. The stories that shape our identities and how those identities shape our destinies for better or worse, for good or evil, in humanizing or dehumanizing ways. Working from the Shakespearian metaphor, All the world s a stage and all the men and women merely players, Pellegrini argues that only by understanding how our storied selves develop can we acquire the tools to modify the roles they dictate for us to play on the stage in the theater of real life. The author deconstructs a wide variety of what he calls toxic, dehumanizing, death-oriented self-scripts as well as creative, humanizing, life-oriented narratives of groups as well as individuals. Following the Native American parable of two wolves engaged in mortal combat within us, one good the other evil, the fundamental premise here is that our identity determines which of our inner wolves we feed and thus, which of them will prevail. Pellegrini maintains that what s at stake in this battle between humanity s collective inner wolves, is not just the quality but the very survival of life on earth. From this perspective, as individual and group selves are humanizingly or dehumanizingly narratized by the way we exercise our God-given free will in the choices we make, so shall life be impacted throughout the world. To advance the cause of detoxifying identities in our global society, the author presents a rationale and program for an international grass roots social movement aimed at achieving a universal sense of belongingness to a global life system. You can watch and listen to a video in which Dr. Bob Pellegrini talks about this book, and why he wrote it, by entering Identities for Life and Death in the search bar at youtube.com.] Essentially a complete teacher's manual for the novel, this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for Johnny Tremain by Esther Forbes. Integrating literature and social studies in the classroom, this teacher resource contains reproducible primary and secondary resources, historical information, and open-ended, student-centered activities to link Johnny Tremain to historical events and issues. Making Thirteen Colonies: Supporting Common Core with A History of US offers classroom lessons adapted from curriculum developed by the Johns Hopkins University Talent Development Secondary (TDS) program to accompany Joy Hakim's award-winning 10- volume series, A History of US. These lessons accompany volume 2 of that series, Making Thirteen Colonies. The lessons provide opportunities for students to closely examine challenging nonfiction text (including primary source documents), engage in collaborative discussion and team learning activities, and create a variety of written products. They align with Common Core State Standards (CCSS) ELA Reading Standards for Informational Text 6-12 and Reading Standards for Literacy in History/Social Studies for grades 6-12. The informational text overviews for most lessons are written on a 7th-8th grade reading level. (Primary source documents often present challenging vocabulary, so the lessons provide additional scaffolding suggestions for these readings.) All materials needed for the lesson are included in the Teacher's Manual and Student Discussion Guide. Teachers can select lessons from Making Thirteen Colonies: Supporting Common Core with A History of US based on the time period being studied in students' history and social studies classes or on themes in the fiction they are studying. For example, the study of The Witch of Blackbird Pond by Elizabeth George Speare may be followed by nonfiction readings in "Salem Witch Trials." Students reading Johnny Tremain by Esther Forbes or other fiction about young people's vocational choices would benefit from analyzing primary source documents about apprenticeship in "Colonial Williamsburg and Southern Town Life." Novels dealing with slavery, such as Nightjohn by Gary Paulson, or civil rights, such as The Watsons Go To Birmingham-1963

by Mildred Taylor could be paired with nonfiction readings about the history of enslavement in the lesson "From Free to Unfree." This curriculum provides multiple opportunities for English Language Arts or history/social studies teachers to fulfill CCSS mandates with challenging, engaging lesson plans. The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist This is a lively introduction to management, covering an array of management orthodoxies and demonstrating, through contemporary sociological theory, that many of the old approaches are in need of reconstruction. The *Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts*, a comprehensive overview of research on this topic, extends conceptualizations of literacy to include all of the communicative arts (reading, writing, speaking, listening, viewing) and the visual arts of drama, dance, film, art, video, and computer technology. *Teach the Way the Brain Learns* discusses organizing learning experiences under themes. Once the brain has stored basic concepts in the curriculum, the storing-by-association system of the brain attaches new information to those basic concepts, building new ones as students have learning experiences that involve them in integrated subject matter. Thematic teaching has been around for quite a while, stemming from John Dewey and 'learning by doing.' Teachers need to return to it in view of the effects of narrowed curricula resulting from nationwide emphasis on testing and on rating schools based on student achievement. This book provides ways for teachers to link subjects and areas of learning for various teaching situations and takes readers from simple correlation through using published thematic units now available and on to developing their own interdisciplinary themes or in team efforts with other colleagues. In the days before microphones and TV interviews, getting people to listen to you was not an easy task. But James Madison used his quiet eloquence, intelligence and passion for unified colonies to help shape the Constitution, steer America through the turmoil of two wars, and ensure that our government, and nation, remained intact. "An excellent, fascinating, indispensable resource." —Kirkus Reviews, pointer review "The book is rich in the sort of detail that illuminates the man, but is not limited to personal information; a great deal of government history is woven into the biography." —Horn Book, starred review "Fritz has given a vivid picture of the man and an equally vivid picture of the problems that faced the leaders of the new nation in the formative years." —The Bulletin of the Center for Children's Books, starred review "Young readers will feel like they know the 'Great Little Madison' very well." —School Library Journal An annotated bibliography of criticism, divided into general criticism and criticism of Forbes as a children's writer. *From Colonies to Country: Supporting Common Core with A History of US* offers classroom lessons adapted from curriculum developed by the Johns Hopkins University Talent Development Secondary (TDS) program to accompany Joy Hakim's award-winning 10- volume series, *A History of US*. These lessons accompany volume 3 of that series, *From Colonies to Country*. The lessons provide opportunities for students to closely examine challenging nonfiction text (including primary source documents), engage in collaborative discussion and team learning activities, and create a variety of written products. They align with Common Core State Standards (CCSS) ELA Reading Standards for Informational Text 6-12 and Reading Standards for Literacy in History/Social Studies for grades 6-12. Several lessons feature close analysis of documents listed as exemplars in CCSS (the Preamble and 1st Amendment to the Constitution are cited as 6th-8th grade exemplars; Patrick Henry's "Give Me Liberty or Give Me Death" speech is cited as a 9th-10th grade exemplar.) The informational text overviews for lessons in this volume are written on a 6th-9th grade reading level. Primary source documents often present challenging vocabulary, so the lessons provide additional scaffolding suggestions for these readings. All materials needed for the lesson are included in the Teacher's Manual and Student Discussion Guide. Teachers can select lessons from *From Colonies to Country: Supporting Common Core with A History of US* based on the time period being studied in students' history and social studies classes or on themes in the fiction they are studying. While longing for her old friends and family one evening, a special visitor helps Anne to realize her pride in her new home and her important role in helping build the West. The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. *How to Raise Successful People* offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world. Lists galore provide endless inspiration for any teacher. Many have introductory notes with background information and suggestions for educational use. Some lists are accompanied by worksheets and activities. For example, after the Abbreviations list, students identify abbreviations in telephone messages and rewrite them using complete words. In the spirit of the book, here's a list of topics covered: words, spelling, writing, communication, literature, math, science, the environment, social studies, art and music, and teacher and family references. Winner of the Newbery Medal * An ALA Notable Children's Book * Winner of the Lewis Carroll Shelf Award A captivating and richly detailed novel about one young soldier who saw the Civil War from both sides and lived to tell the tale. Earnest, plain-spoken sixteen-year-old Jeff Bussey has finally gotten his father's consent to

join the Union volunteers. It's 1861 in Linn County, Kansas, and Jeff is eager to fight for the North before the war is over, which he's sure will be soon. But weeks turn to months, the marches through fields and woods prove endless, hunger and exhaustion seem to take up permanent residence in Jeff's bones, and he learns what it really means to fight in battle—and to lose friends. When he finds himself among enemy troops, he'll have to put his life on the line to advance the Union cause. Thoroughly researched and based on firsthand accounts, *Rifles for Watie* "should hold a place with the best Civil War fiction for young people" (The Horn Book). A strong choice for independent reading and for sharing in a classroom and for homeschooling. As a homeschool cooperative teacher commented: "The book has launched many discussions in our class. When a person is on one side of a conflict, it is important to remember that people on the other side are also people. Jeff is a perfect model for how treating people with respect can happen even in war."
